

## Errata

In JPMA Volume 57, No. 1, January 2007, under original article, viz: "Sociodemographic Features, Affective Symptoms and Family Functioning in Hospitalized Patients with Dissociative Disorder (Convulsion Type)", in Contents as well as on Page No. 23, please add name of the second author, Saeed Farooq, which was erroneously missed.

## Announcement

A National Conference on Medical Editing will be held at Army Medical College, Rawalpindi from April 23-25, 2007. The objectives of the conference are to provide a platform for the training, interaction, exposure and sharing of the common issues related to the art of editing.

The faculty will include experienced editors from within the country and resource persons/facilitators from selected neighbouring countries and WHO.

All editors and editorial board members, editorial staff, reviewers and referees, academia, medical press and any body interested in the field of writing and editing are invited for the conference

Registration is free. For detail information contact :
