

## Subject Index 2021

- M**
- MCQ Development**  
Evaluating the effectiveness of 'MCQ development workshop using cognitive model framework: A pre-post study,( Ali R et al), Page-119
- 14-3-3ξ Expression In Cancers**  
The prognostic relevance of 14-3-3ξ expression in cancers: A meta-analysis , ( Li C et al), Page-1206
- A**
- Abdominal Vascular Injuries**  
Abdominal vascular injuries- what general/ trauma surgeons should know? ,( Zia Ur Rehman), Page-2027
- Academic Failure In Medical Colleges**  
Identification and comparison of factors related to academic failure in medical colleges; A Bi-centre comparative study ,( Kiran F et al), Page-1772
- Accentuating Cardiovascular Events**  
Letter to the Editor: Accentuating cardiovascular events in Sibutramine-treated patients ,( Waseem R et al), Page-2852
- Achondroplasia**  
Successful pregnancy and delivery in a woman with achondroplasia,( Tasnim N et al), Page-146
- Acute And Chronic Stroke**  
Progressive resistance training improving gait performance and mobility in acute and chronic stroke patients, (Qurat ul Ain et al), Page-140
- Acute Ischaemic Stroke**  
Correlation of serum calcium with severity of acute ischaemic Stroke ,( Arshad A et al), Page-1882
- Acute Lymphoblastic Leukaemia**  
Treatment-related mortality in children with acute lymphoblastic leukaemia in a low-middle income country ,(Rahat-Ul-Ain et al), Page-2373
- Acute Phase Reactants**  
Association of acute phase reactants with prognostic scores in community acquired pneumonia ,( Ozkaya S et al), Page-614
- Adenoid Cystic Carcinoma**  
Adenoid cystic carcinoma of external auditory canal: A rare Disease ,(Vardag A B et al), Page-1893
- Adult Psychopathology**  
Translation and adaptation of adult self report: A tool for assessment of adult psychopathology , ( Khan S et al), Page-1133
- Aesthetic Rehabilitation**  
Aesthetic rehabilitation in a patient with skeletal mandibular deficiency and open bite: journey from splinted metalloceramic prosthesis to all-ceramic crowns, ( Nazeer R et al), Page-159
- Aesthetic Rehabilitation**  
Aesthetic rehabilitation with immediate implant placement in anterior maxilla after traumatic avulsive injury A case report ,(Umer F et al), Page-2464
- AIDS**  
AIDS-related deaths of children in Larkana district: Act now or regret later ,( Sharma N et al), Page-2694
- Albendazole And Mebendazole**  
Albendazole and mebendazole in the treatment of ancylostomiasis in school

children between the ages of 6-15 in Swat Pakistan ,(Iqbal M et al), Page-2058

### **Alexithymia And Anxiety Symptoms**

Alexithymia and anxiety symptoms in Pakistani adolescents: A study of compounded directions ,( Jafar S et al), Page-1139

### **Allergic Fungal Sinusitis**

Prevalence of allergic fungal sinusitis among patients with nasal polyposis ,( Dhanani R et al), Page-1605

### **Alpha Thalassemia**

Frequency and genotyping of alpha thalassemia in individuals undergoing premarital screening,( Saboor M et al), Page-101

### **Alveolar Osteitis**

Molecular events in the clinicopathological diagnosis of alveolar osteitis ,( Zahid T et al), Page-508

### **Analgesic Effects**

Comparison of analgesic effects of Gabapentin and Paracetamol post-operatively in patients with hand injury ,( Ali H et al), Page-2501

### **Anatomy**

Perception of peer teaching on learning anatomy: A qualitative Study ,( Umbreen F et al), Page-744

### **Andibular Condylar Fracture**

Assessment of complications of the open treatment of mandibular condylar fracture ,( Asim M A et al), Page-1689

### **Anterior Chest Wall Pilonidal Sinus**

Anterior chest wall pilonidal sinus: Disease at a rare site ,( Soomro N et al), Page-1002

### **Anterior Resection Syndrome**

An insight to medical therapy for anterior resection syndrome ,( Shakeel N et al),

Page-1055

### **Anticancer Drugs**

A call for revamping the policy on import process of anticancer drugs in Pakistan ,(Elahi E et al), Page-2483

### **Antidepressant Drugs**

To evaluate the effects of antidepressant drugs on pregnancy outcomes in a university hospital in Turkey, ( Cavusoglu T et al) , Page-281

### **Antifungal Susceptibility**

Distribution and antifungal susceptibility of candida species isolated from blood cultures ,( Gorgun S et al), Page-1601

### **Antimicrobial Susceptibility**

Distribution and antimicrobial susceptibility profile of bacterial and fungal pathogens isolated from burn wounds in hospitalized patients ,( Basit M et al), Page-916

### **Anti-N-Methyl-D-Aspartate Receptor**

Anti-N-Methyl-D-Aspartate receptor Encephalitis as a potential cause of worsening Herpes Simplex Virus Encephalitis ,( Arif S et al), Page-569

### **Anti-Nuclear Anti-DsDNA And Anti-Ena**

Frequencies and results of anti-nuclear anti-dsDNA and anti-ENA in a tertiary-care hospital in Karachi Pakistan ,( Kanani F H et al), Page-708

### **Aortic Valve**

Study of aortic valve using multi slice computed tomography in patients presenting with chest pain ,( Nasir M et al), Page-2151

### **Aplastic Anaemia**

Hepatitis-associated aplastic anaemia: A case report from a tertiary care facility of Pakistan, ( Alam L et al) , Page-376

**Aquaporins**

Aquaporins; systemic functional and therapeutic correlations in health and disease , ( Ahmed T et al), Page-1228

**Arachidonic Acid-Induced Platelet Aggregation**

Stronger inhibitory effects of Ticagrelor plus aspirin compared with Clopidogrel plus aspirin on arachidonic acid-induced platelet aggregation in patients with acute coronary syndrome with PCI , (Dong Z et al), Page-540

**Arteriovenous Malformation**

Pregnancy after embolization for arteriovenous malformation: An uncommon successful outcome ,( Javed A et al), Page-1020

**Artificial Intelligence**

Dawn of artificial intelligence - Enable digital Pathology in Pakistan: A paradigm shift ,( Zehra T et al), Page-2683

**Asthma**

Asthma severity identification from pulmonary acoustic signal for computerized decision support system,( Nabi F G et al), Page-41

**Ataxia Telangiectasia**

Patient with ataxia telangiectasia undergoing elective staging laparoscopy: A case report and literature review ,(Bashir M A et al), Page-2656

**Atopic Dermatitis**

Gut microbiome skin axis in the development of atopic dermatitis , ( Alghamdi H A et al), Page-1221

**Auditory Brainstem Response**

Auditory brainstem response: An overview of neurophysiological implications and clinical applications ,( Habib S H et al), Page-2230

**Autism**

Letter to the Editor: Autism: A deep insight , ( Tariq H S et al), Page-1314

**Autism**

Parent training for Autism Spectrum Disorder,( Ijaz S et al), Page-31

**Autistic Traits**

Emotional response bias autistic traits and paranormal beliefs in patients with Obsessive Compulsive Disorder ,( Ashraf A et al), Page-1596

**Autoimmune Thyroid Disease**

Autoimmune thyroid disease in diabetic children and adolescents: A single center study from south Punjabm ,( Khan W I et al), Page-1804

**Autosomal Recessive Retinitis Pigmentosa**

P arg102ser is a common Pde6 mutation causing autosomal recessive retinitis pigmentosa in Pakistani families ,( Khan A A et al), Page-816

**Autozygosity Mapping**

Autozygosity mapping in consanguineous Pakistani families identifies nine non-overlapping novel linkage intervals for autosomal recessive non-syndromic mental retardation ,(AR-NSMR); shows genetic heterogeneity for AR-NSMR ,( Rehman S et al), Page-2250

**Axillary Thoracotomy**

Comparison of VATS and limited axillary thoracotomy in the treatment of spontaneous pneumothorax: A cross-sectional study , ( Kapicibasi H O), Page-1107

**B****Barocrinology**

Barocrinology,( Kalra S et al), Page-170

**Basic Life Support**

Student led outreach workshops to promote basic life support ,( Ahsin S et al), Page-1761

**Bedside Index ,(BISAP)**

Bedside index ,(BISAP), v/s Ranson scores in predicting mortality and severity in patients with acute pancreatitis ,( Kapadia N N et al), Page-1988

**Behaviourism**

Is behaviourism really dead? A scoping review to document the presence of behaviourism in current medical education ,( Ansar A et al), Page-1214

**Beta Thalassemia**

Prevention programmes and prenatal diagnosis for beta thalassemia in Pakistan: A narrative review, ( Ghafoor M et al) , Page-326

**Beta-Lactamase In Multidrug-Resistant Acinetobacter Baumannii**

Phenotypic detection of extended-spectrum beta-lactamase in multidrug-resistant acinetobacter baumannii isolated in Fauji Foundation Hospital Rawalpindi ,( Shah A A et al), Page-1144

**Big Data Analytics**

Big data analytics: A promising healthcare solution ,( Zil-E-Ali A et al), Page-2108

**Bilateral Arm Training**

Effects of bilateral arm training on upper extremity function in right and left hemispheric stroke, ( Ambreen H et al) , Page-302

**Bilateral Congenital Pseudarthrosis**

Bilateral congenital pseudarthrosis of the tibia with neurofibromatosis type 1,(Ari B et al), Page-1499

**Bilateral Diffuse Anterior Scleritis**

Bilateral diffuse anterior scleritis after unilateral cataract surgery: A case report ,( Matsuura K et al), Page-1014

**Bilateral Thalamic Infarction**

Bilateral thalamic infarction due to artery of Percheron occlusion: A case report ,( Shah M et al), Page-2817

**Biliary Tract Carcinoma**

The Role of K-Ras and P53 in Biliary Tract Carcinoma ,(Ahmad S et al), Page-2378

**Bioevaluation Of Agro-Waste**

Bioevaluation of agro-waste for postprandial glucose and insulin concentration in blood ,( Umbreen H et al), Page-830

**Bipolar Disorder**

Endoxifen: A new hope for Bipolar Disorder ,( Amin M et al), Page-2685

**Blaoxa-23 Gene And Blaoxa-51 Gene**

Molecular detection of blaOXA-23 gene and blaOXA-51 gene in carbapenem resistant strains of Acinetobacterbaumannii in patients with ventilator associated pneumonia at tertiary care hospitals ,( Ishtiaq S et al), Page-2576

**Bleomycin Toxicity**

Bleomycin Toxicity — Findings on FDG PET CT ,( Mufty S et al), Page-2287

**Blood Clotting With Viral Vector Vaccine**

Managing blood clotting with viral vector vaccine ,( Bukhari M H et al), Page-2115

**Blood Products**

Utilisation of blood products at a centre in Pakistan Is donating better than wasting?( Haya Ul Mujtaba et al), Page-133

**Body Mass Index**

Relationship of BMI with Junk Food, sleep

pattern, exam performance and awareness about its ill health effects in healthy teenagers,( Tariq S et al), Page-59

### **Body Mass Index**

A cross-sectional study of body mass index and sleep quality as risk factors to severity of acne ,( Chaudhary S et al), Page-2148

### **Body Mass Index And Covid-19**

Letter to the Editor: Interplay between body mass index and COVID-19, a harbinger of danger for Pakistan ,( Shuja S H et al), Page-2853

### **Bone Mineral Density**

Association between handgrip strength and maximum expiratory flow with site-specific bone mineral density of healthy young adults, (Tahir R et al), Page-178

### **Brain Tumour Surgeries**

Role of intra-operative ultrasound in brain tumour surgeries ,( Bajwa M H et al), Page-1508

### **Breaking The Pain Cycle**

Breaking the pain cycle successfully in a child with se-vere pain due to recurrent pancreatitis: A case report ,( Siddiqui A S et al), Page-2268

### **Breast Cancer**

Breast cancer awareness among pharmacy and physiotherapy students of medical university Nawabshah, ( Irfan R et al) , Page-297

### **Breast Cancer**

Changes in lung perfusion scintigraphy and pulmonary function tests in irradiated breast cancer patients ,( Elmas O et al), Page-1736

### **Breast Cancer**

Demographic variation and risk factors regarding breast cancer among female in

Southern Punjab Pakistan ,( Ahmad W et al), Page-1749

### **Breast Cancer**

Evaluation of C-reactive protein in breast cancer by enzyme linked immunoassay technique ,( Usmani A et al), Page-424

### **Breast Cancer**

Exploring the determinants of delayed diagnosis of breast cancer in the female population of Punjab ,(Pakistan), ,(Farooqi S et al), Page-2429

### **Breast Cancer**

Persistent post-surgical pain following breast cancer surgery: An observational study in a tertiary care hospital ,( Siddiqui A S et al), Page-849

### **Breast Conservation Surgery ,(BCS),**

Breast conservation surgery ,(BCS), for breast cancer in a resource limited country — Are we upto the challenge! ,( Javed N et al), Page-2748

### **Breast Sarcoma**

Imaging features of primary breast sarcoma: A case report ,( Rehman S et al), Page-2087

### **Breast Self-Examination**

Knowledge attitude and practice of breast self-examination among female undergraduate medical students in Poonch Medical College Azad Kashmir ,( Javaeed A et al), Page-524

### **Breastfeeding**

Frequency of early initiation of breastfeeding among women in Thatta Sindh and factors associated with it: A secondary data analysis ,( Barkat R et al), Page-2731

### **Bristow Procedure**

Functional outcomes of modified Bristow procedure in recurrent shoulder

dislocation ,(Khawaja K et al), Page-2448

### **Bronchoscopic Suction**

Study of the effect of added bronchoscopic suction to routine treatment of ventilator associated pneumonia patients in surgical ICU ,( Karbasy S H et al), Page-1326

### **Bruininks-Oseretsky Test**

Evaluating motor performance with the Bruininks-Oseretsky Test of motor proficiency in impoverished Pakistani children ,( Hasan Z H et al), Page-1556

### **Budd-Chiari Syndrome**

Budd-Chiari syndrome computed tomographic imaging: Elucidating the devil in the details ,( Siddique M et al), Page-1889

### **Budesonide**

Meta-analysis of dose selection for budesonide in the treatment of Chinese patients with AECOPD ,( Qi M et al), Page-2018

### **Burkitt's Lymphoma Of Mandible**

Burkitt's lymphoma of mandible in a young Pakistani boy: A case report ,( Riaz N et al), Page-2265

## **C**

### **Camel's Milk**

Medical benefits of camel's milk: A comprehensive review ,(Al Nohair S F), Page-933

### **Cancer Diagnosis**

Disclosing bad news of cancer diagnosis: Patients' preference for Communication ,( Saqib S U et al), Page-1239

### **Cannabis Use Disorder**

Negative coping styles among individuals with cannabis use disorder and non-users ,( Ahsan S et al), Page-1757

### **Carbamazepine**

Effect of carbamazepine on emotional intelligence and mindfulness in patients with partial epilepsy ,( Gul A et al), Page-1103

### **Carbon Monoxide Poisoning**

Mortality rate associated with carbon monoxide poisoning in Turkey: A national database study, ( Temrel T A) , Page-262

### **Cardiac Anaesthesia**

Quality assurance audit in adult cardiac anaesthesia ,( Ahmed S S et al), Page-704

### **Cardiac Magnetic Resonance**

Clinical features, cardiac magnetic resonance imaging findings and outcome of patients with suspected myocarditis ,(Iqbal S et al), Page-2454

### **Cardiac Magnetic Resonance Imaging**

Clinical presentation diagnostic features on cardiac magnetic resonance imaging and outcome of patients with cardiac amyloidosis presenting to a tertiary care setting ,( Sulta F A T et al), Page-2802

### **Cardiac Magnetic Resonance Imaging**

Features on cardiac magnetic resonance imaging and accuracy of echocardiographic findings for diagnosing constrictive pericarditis ,(Iqbal S et al), Page-2652

### **Cardiorespiratory Fitness**

Relationship of cardiorespiratory fitness with screen time and physical activity in adolescents ,( Shakeel A et al), Page-1785

### **Cardiovascular Disease**

Association of dietary intake and dietary habits with risk of cardiovascular disease among immigrant Pakistanis living in the Netherlands, ( Raza Q et al) , Page-219

**Cardiovascular Fitness**

Level of cardiovascular fitness and its relationship with physical activity and body mass index in young adults of Islamabad ,(Khatoon Z et al), Page-1950

**Cardiovascular Surgery**

Dental care of patients scheduled for cardiovascular surgery: Which protocols should be followed? ,( Khan F R et al), Page-1875

**Career Guidance**

The effect of career guidance on undergraduate medical students' specialty preferences ,( El Nagggar M A et al), Page-1808

**Carpal Tunnel**

Anatomic study of carpal tunnel in adults using monoenergetic reconstruction of dual-energy computed tomography ,( Zhao H et al), Page-663

**Cataract Extraction**

To assess the role of cataract extraction in glaucoma management by its intraocular pressure lowering effect , ( Khan M I et al), Page-1100

**Caudal Regression Syndrome**

Case Report: Caudal Regression Syndrome - a rare congenital disorder: A case report ,( Mehdi S M et al), Page-2847

**Causative Organisms**

Risk factors, causative organisms and sensitivity patterns of infective keratitis in a tertiary care hospital in Rawalpindi ,( Rizwan A et al), Page-2735

**Ceftriaxone**

A word of caution regarding Ceftriaxone ,( Azhar N et al), Page-2692

**Ceftriaxone Resistance**

Rapid detection of ceftriaxone resistance

in clinical isolates of extensively drug resistant Salmonella enterica serovar Typhi ,( Satti M L et al), Page-1639

**Central Venous Port Catheter System**

Our central venous port catheter system practice - a retrospective Study ,( Moralar D G et al), Page-1442

**Ceramic Bearings**

Outcome of Total Hip Replacement with Ceramic on Ceramic Bearings Case series from Aga Khan University Hospital Karachi Pakistan ,(Khattak M J et al), Page-2457

**Cerebellar Diaschisis**

Crossed Cerebellar diaschisis on F-18 FDG PET-CT scan: An unexpected finding ,( Mufty S et al), Page-1043

**Cerebral Palsy Children**

Effect of position on gross motor function and spasticity in spastic cerebral palsy children ,(Rauf W et al), Page-801

**Cervical Vertebral Anomalies**

Evaluation of the cervical vertebral anomalies in patients with cleft lip and palate in Aegean region of Turkey, ( Dogan E et al) , Page-215

**Chikungunya Fever**

Mucocutaneous manifestations of Chikungunya fever an experience of tertiary care hospital ,( Kaleem S et al), Page-619

**Chikungunya Outbreak**

Chikungunya outbreak in Karachi Pakistan 2016-2017: An analysis of viral isolates ,( Prakoso D et al), Page-1467

**Chikungunya Virus Strains**

Phylogenetic and sequencing analysis of Chikungunya virus strains from local Pakistani population ,(Sawal H A et al), Page-2335

**Child Malnutrition**

Major factors responsible for child malnutrition: A review ,( Shahid N et al), Page-729

**Child Physical Abuse**

Child physical abuse: awareness and practices of medical and dental doctors in Pakistan ,( Khan H M A et al), Page-1704

**Chili Pepper**

Letter to the Editor: Chili pepper; beneficial for cardiovascular health ,( Yasmin F et al), Page-1521

**Cholecystectomies**

Frequency of gall bladder carcinoma in cholecystectomies performed for symptomatic cholelithiasis ,( Qudeer M A et al), Page-779

**Choriocarcinoma Syndrome**

Choriocarcinoma syndrome: A rare presentation of testicular germ cell tumour ,( Sindhu I I et al), Page-2090

**Chronic Kidney Disease**

Status of chronic kidney disease of unknown aetiology in Pakistan, ( Imtiaz S et al) , Page-336

**Chronic Kidney Disease**

Strategies for preventing end stage kidney disease: The impact of kidney stone disease on Chronic Kidney Disease in Pakistan ,( Imtiaz S et al), Page-2244

**Chronic Myeloid Leukaemia**

Additional cytogenetic abnormalities in chronic myeloid leukaemia; an experience from Pakistan ,( Anwar N et al), Page-633

**Chronic Pain**

Increased frequency of fibromyalgia among patients with chronic pain presenting to internal medicine clinics of a tertiary care hospital: A cross sectional

study ,( Javed S et al), Page-2740

**Chronic Pain And Depression**

The Link between Chronic Pain and Depression in Low Income Country Pakistan ,( Dawood S et al), Page-2535

**Chronic Stroke**

The effects of whole body vibration on gait after chronic stroke: A Randomized Controlled Clinical Trial ,( Burq H S I A et al), Page-2511

**Clavien-Dindo Classification**

A survey of perioperative complications with Clavien-Dindo classification: A cross-sectional study ,( Khan M T et al), Page-572

**Clinical Education Competencies**

Nursing instructors' clinical education competencies: An integrated Review ,( Beiranvand S et al), Page-1458

**Clinical Importance Of Embryology**

Medical students' attitudes towards the clinical importance of Embryology , ( Waseem N et al), Page-1167

**Clinico-Pathological Conferences**

Impact of the Clinico-pathological Conferences as a teaching modality on medical students' performance in Endocrine Course ,(Barakzai M A), Page-925

**Cognitive Behaviour**

Cognitive behaviour therapy with compulsive hoarding: a single case study, ( Yousaf A et al) , Page-356

**Cognitive Impairment**

A comparative study to investigate the level of cognitive impairment among epileptic and psychogenic non-epileptic patients , (Kausar N et al), Page-420

**Cognitive Peer Coaching**

"Cognitive Peer Coaching"- A workplace-

based faculty development approach for problem- based learning facilitators: A qualitative study ,( Rehan M et al), Page-868

### **Commercialism In Healthcare**

From professionalism to commercialism in healthcare: A phenomenological study ,( Malik M H et al), Page-691

### **Community Pharmacist In Chronic Diseases**

A snapshot of the global policies and practices of medicine use reviews by community pharmacist in chronic diseases: A narrative review ,( Mubarak N et al), Page-950

### **Community-Engaged Emergency**

Overcoming the challenges of community-engaged emergency referrals in a rural district of Pakistan ,(Abbasi I N et al), Page-2648

### **Compliance Of Standard Precaution**

Factors associated with the compliance of standard precaution; review article ,( Zeb S et al), Page-713

### **Computerized Tomography**

Effectiveness and radiation dose of computerized tomography virtual hysterosalpingography in the evaluation of female infertility: Systematic review and meta-analysis,( Al-Tameemi, H N et al), Page-114

### **Connective Tissue Disease**

Comparative analysis of connective tissue disease-associated interstitial lung disease and idiopathic pulmonary fibrosis from a tertiary care centre in Pakistan ,(Zubairi A S et al), Page-2330

### **Conversion Disorder**

Interpersonal problems optimism and coping styles among women with conversion disorder: A correlational study

,( Munir H A et al), Page-2717

### **Coping Strategies**

Stress and coping strategies in parents of children with special needs ,( Arif A et al), Page-1369

### **Coping Strategies**

The effective coping strategies against burnout: Perceptions of Pakistani medical students ,( Abbasi M et al), Page-1583

### **Core Muscle Strengthening**

The effects of an exercise program for core muscle strengthening in patients with low back pain after cesarean-section: A single blind randomized controlled trial ,( Nayyab I et al), Page-1319

### **Coronary Artery Bypass**

Effect of nurse led education on anxiety level among coronary artery bypass grafting pre-operative patients, ( Ali A et al) , Page-238

### **Coronary Artery Bypass**

Assessment of risk factor profile in young patients undergoing elective coronary artery bypass grafting surgery in Armed Forces Institute of Cardiology/National Institute of Heart Disease, a tertiary care cardiac facility,( Iqbal M et al), Page-98

### **Coronary Artery Disease**

Almond protects the liver in coronary artery disease: A randomized controlled clinical trial,( Jamshed H et al), Page-791

### **Coronary Artery Disease**

Frequency intensity and duration of routine rehabilitation exercises practiced by patients with coronary artery disease ,( Mubashar D et al), Page-1399

### **Counselling For Medical Student's**

On-campus counselling for medical student's mental wellbeing: A pressing priority ,( Khan U et al), Page-2835

**Covert Nail Injury**

Covert nail injury to the back: A case report ,( Kathia U M et al), Page-1679

**Covibesity**

Covibesity — transitional pandemic ,( Anjum Q ), Page-2698

**COVID 19 Surge**

Threat of a Measles outbreak amidst COVID 19 surge in Sindh Pakistan ,(Ahmad Z et al), Page-2488

**COVID Pandemic**

Excessive Use of Azithromycin in Pakistan amidst the Covid Pandemic ,(Shaikh H), Page-2489

**COVID-19**

Contaminated oxygen cylinders for COVID-19 patients: A grave negligence? ,( Nasim S et al), Page-2839

**COVID-19**

COVID-19 amongst cancer patients: An experience from Oman ,( Jaffar Al-Bahrani B et al), Page-2563

**COVID-19**

COVID-19 and Obesity: When an Epidemic meets a Pandemic ,( Paracha A A ), Page-2693

**COVID-19**

General practitioner's ,(GP), home management guidelines for COVID-19 patients: Guidelines ,( Ambreen A et al), Page-982

**COVID-19**

Herbal smoke, aerosol and cologne may play a role as disinfectant against the COVID-19 battle ,( Khan S A M et al), Page-2836

**COVID-19**

India and Pakistan: United by COVID-19 ,( Fatima S S et al), Page-2695

**COVID-19**

The positive impact of COVID-19 on Tuberculosis endemic areas ,( Ali F et al), Page-2683

**COVID-19 Pandemic**

E-learning in postgraduate urology training: A Covid-19 pandemic experience ,( Hussain M et al), Page-2799

**COVID-19 Pneumonia**

Incidental COVID-19 pneumonia on oncologic 18F-FDG PET-CT scan in asymptomatic patient ,( Sajad T et al), Page-2834

**COVID-19 Vaccine**

Letter to the Editor: Rolling out COVID-19 vaccine: Half the battle Won ,( Adnan A et al), Page-1917

**COVID-19 Vaccine**

Medical and ethical issues related to COVID-19 vaccine ,( Bukhari M H), Page-576

**CRISPR**

CRISPR, cell lines and organoids: New entrants in next generational lab medicine ,( Khan S H et al), Page-1714

**CRISPR Cas System**

CRISPR Cas System: An efficient tool for cancer modelling ,( Akhtar M et al), Page-718

**Culinary Happiness**

Culinary happiness ,( Kalra S et al), Page-1902

**Cultivating Research Culture**

Barriers in cultivating research culture at an institutional level: Narrative from a developing country ,( Khan F et al), Page-1316

**Curriculum**

Inclusion of Research Methodology as a

Major Subject in the Curriculum of Medical Studies in Pakistan ,( Iqbal U), Page-2294

### **Cushing Disease**

To determine the efficacy of bilateral inferior petrosal sinus sampling in differentiating Cushing disease from ectopic Cushing syndrome,( Azeemuddin M et al), Page-164

## **D**

### **D CD146 In Hydropic**

Differential expression of P63 P27 P57 Ki-67 and CD146 in hydropic and molar pregnancies ,( Balci M et al), Page-796

### **Dapagliflozin**

Dapagliflozin: The outcome of its use as add-on therapy in real-life clinical setting ,( Raja U Y et al), Page-2214

### **DECAF ,(Dyspnea Eosinopenia Consolidation Acidaemia And Atrial Fibrillation)**

Comparison of DECAF ,(dyspnea eosinopenia consolidation acidaemia and atrial fibrillation), and APACHE II ,(acute physiology and chronic health evaluation ii), scoring system to predict mortality among patients with acute exacerbation of chronic obstructive pulmonary disease ,(Raja W et al), Page-1935

### **Dental Implant Diameter**

Impact of dental implant diameter on the efficiency of fatigue: A systematic review analysis ,( Hamed M T et al), Page-1644

### **Dental Implants**

Recent advancements in surface modifications of dental implants ,( Iqbal A et al), Page-1655

### **Dental Recall Interval**

Establishing dental recall interval for

Pakistani children: A longitudinal Study ,( Taqi M et al), Page-1799

### **Depression**

Association of depression with dental caries and periodontal disease at a tertiary care hospital ,( Kareem O et al), Page-1345

### **Depression**

Comparison of social support, depression and anger in diabetic and cardiac patients ,( Sadiq F et al), Page-1814

### **Depression In Adolescents**

Family cohesion and depression in adolescents: A mediating role of self-confidence ,( Zahra S T et al), Page-677

### **Depression, Anxiety And Stress**

Association of myofascial trigger points in neck and shoulder region with depression, anxiety and stress among university students ,( Kashif M et al), Page-2139

### **Design And Health**

Design and health: An interdisciplinary baseline experience of product design for health needs of the Chilean elderly ,( Westermeyer J C B et al), Page-449

### **Diabetes**

Endemic Syndromes associated with Diabetes – A call for Awareness recognition and management in India and beyond ,( Kalra S et al), Page-2093

### **Diabetes**

Vitamin D and diabetes, ( Kalra S et al) , Page-383

### **Diabetes And Prediabetes**

Prevalence of diabetes and prediabetes in district Swat Pakistan, ( Akhtar S et al) , Page-243

**Diabetes Management**

Introducing Diabetes Management in Primary Care ,(Kalra S et al), Page-2473

**Diabetes Mellitus**

Assessment of knowledge attitude and practice of Pakistani population about the risk factors causes complications and management of diabetes mellitus, ( Akash M S H et al) , Page-286

**Diabetes Mellitus**

Effects of structured exercise regime on lipid profile and renal function tests in gestational diabetes mellitus patients: pilot study , (Qazi W A et al), Page-505

**Diabetic Foot Ulcers ,(DFUs)**

Microbiological and antimicrobial pattern of diabetic foot ulcers ,(DFUs), at a tertiary care center in North East Punjab ,( Siddiqui M A et al), Page-1566

**Diabetic Muscle**

The diabetic muscle ,( Kalra S et al), Page-1503

**Diabetic Retinopathy**

Awareness of diabetic retinopathy among diabetic patients ,( Rizwan A et al), Page-651

**Diabetic Retinopathy**

Screening for diabetic retinopathy in primary care: Future prospects in low-middle income countries ,( Kurian D E et al), Page-2826

**Diastolic Blood Pressure**

The association between diastolic blood pressure and massive transfusion in severe trauma: a retrospective single-center study , (Lee D H et al), Page-456

**Dietary Factors On Iron Status**

Effects of dietary factors on iron status and body mass index in students ,(Jamali N H

et al), Page-2135

**Digital Revolution**

Surgery re-imagined: The digital revolution,(Rizvi I) , Page-184

**Digitalisation**

Digitalisation provisions for controlling depression in developing countries: Short review, (Ali N A et al), Page-127

**Distal Epiphyseal Radius Fracture**

Should you fix again? An unusual fracture of a distal epiphyseal radius fracture — A case report ,( Kuyubasi S N et al), Page-2258

**Doctor Brides**

‘Doctor Brides’: A narrative review of the barriers and enablers to women practising medicine in Pakistan ,( Qazi M A et al), Page-2237

**Dowry Practices**

Association of dowry practices with perceived marital life and intimate partner violence ,(Ali T S et al), Page-2298

**Drug Dosage Calculation Among Undergraduate Nursing Students**

Retention of knowledge regarding mathematics and drug dosage calculation among undergraduate nursing students of a private school of nursing in Pakistan , ( Tabassum N et al), Page-1243

**Drug Resistant Tuberculosis**

Burden of Drug resistant Tuberculosis in newly diagnosed Tuberculosis patients of Khyber Pakhtunkhwa Pakistan ,( Jabbar A et al), Page-912

**Dry Needling In Lower Extremity Myofascial Trigger Points**

Effects of dry needling in lower extremity myofascial trigger points ,(Khan I et al), Page-2596

**Dynamic Knee**

Dynamic knee valgus alignment in healthy young adults and its association with single leg triple hop distance and athletic single leg stability ,( Ramzan J et al), Page-2687

**Dyskeratosis Congenita**

Dyskeratosis congenita: A case report on a rare disease ,( Khaliq S et al), Page-1007

**Dysmorphic Features**

Minor dysmorphic features in a patient with papillorenal syndrome: A Case Report ,( Kulali F et al), Page-1004

**E****Eating Behaviours**

Eating behaviours as predictors of satisfaction with food related life ,( Wasif S et al), Page-469

**Eccrine Spiradenoma:**

Eccrine spiradenoma: a rare adnexal tumour with atypical presentation: A case report ,( Salim A et al), Page-553

**ECOG Performance**

Six-minute walk distance ECOG Performance Status and Modified Borg Scale scores in a cohort of Pakistani men and women with noncancerous end-stage liver disease selected for liver transplant ,( Ashraf K et al), Page-1162

**Ectopic Parathyroid Adenoma**

Extramedullary myeloma in ectopic parathyroid adenoma: A case Report ,( Barisik N O et al), Page-752

**Ectopic Pregnancy**

A ruptured seventeen weeks' ectopic pregnancy: A case report ,( Shabbir U et al), Page-763

**Ectopically Erupting Permanent Molars**

Management of ectopically erupting

permanent molars in a seven-year-old girl: A case report ,( Meng M et al), Page-2809

**Educational Intervention**

Effectiveness of educational intervention in raising knowledge regarding breast cancer among female nurses ,( Razzaque M A et al), Page-1959

**Emergency Medical Services ,(EMS),**

Letter to the Editor: Need of the hour: Finding alternatives to a centralized Emergency Medical Services ,(EMS), system in Pakistan ,( Kazmi S K et al), Page-1914

**Emergency Medicine**

Innovation in emergency medicine; a perspective from a low middle income country Pakistan ,( Baig M N A et al), Page-734

**Emotion Reactivity**

Impingement of emotion reactivity to post-traumatic stress disorder among amputees ,( Babar I et al), Page-1341

**Emotional Disturbances**

Frequency of emotional disturbances among hostelites and day scholars medical students,( Jawed S et al), Page-73

**Emotional Intelligence**

Emotional intelligence and academic performance of students ,( Rehman R et al), Page-2777

**Emotional Intelligence**

Emotional intelligence as an indicator of coping skills among undergraduate dental students at Peshawar: A correlational study ,(Rehman B et al), Page-806

**Empowerment**

Research in vulnerable communities, a long journey from vulnerability to empowerment, (Asif F), Page-177

**Endocrine Fatigue Syndrome**

Endocrine Fatigue Syndrome , (Kalra S et al), Page-559

**Endocrine First Aid**

Endocrine first aid , ( Kalra S et al), Page-1286

**Endodontic Therapy**

Reorienting goals in endodontic therapy: Pulp revitalisation on the brink of a paradigm shift ,( Iqbal A et al), Page-2589

**Endoleaks**

Endoleaks: Current concepts and treatments ,( Rehman Z), Page-2224

**Endonasal Dacryocystorhinostomy**

Results of endoscopic endonasal dacryocystorhinostomy: A prospective cohort study ,( Jawad A et al), Page-1420

**Endophthalmitis**

Incidence of endophthalmitis following intravitreal anti VEGF injections at a tertiary care hospital in Pakistan , ( Shaheen F et al), Page-1184

**Endoscopic Retrograde**

Demonstrating competence in Endoscopic Retrograde Cholangiopancreatography ,(ERCP);: Recently credentialed operator's performance for deep biliary cannulation over 1 year period from a tertiary care hospital in Pakistan ,( Parkash O et al), Page-929

**Endovascular Coil Embolization**

Endovascular coil embolization of ruptured and unruptured intracranial aneurysms: review of a 15-year single center experience in Pakistan ,( Khan M K et al), Page-656

**Endovascular Intervention**

Endovascular intervention with a low-

profile visualized intraluminal support stent for ruptured very small wide-necked intracranial aneurysms ,( Li J et al), Page-1972

**Enteric Fever**

Comparison of the performance of Tubex® TF widal immunodiagnostic assay and blood culture in diagnosis of enteric fever in a private tertiary care hospital Peshawar Pakistan ,( Khan K A et al), Page-909

**Eradication Therapy For Gastric Cancer**

Eradication therapy for gastric cancer in Inner Mongolia: A singlecenter study over 10 years ,( Li Y H et al), Page-1822

**Esophageal Foreign Body**

Esophageal foreign body: Shirdan ,( Olmez S et al), Page-1050

**Exercise Therapy**

Exercise therapy for the exercise naïve: The first step in obesity management ,( Kalra S et al), Page-2828

**Exercise-Induced**

Effects of active isolated stretching on exercise-induced muscle damage in untrained subjects: a randomized controlled trial ,( Qamar M M et al), Page-406

**Exer-Gaming**

Exer-gaming reduces fall risk and improves mobility after stroke ,( Aslam M et al), Page-1673

**Exer-Gaming**

Task-oriented training and exer-gaming for improving mobility after stroke: A randomized trial, ( Malik A N et al) , Page-186

**Exosomes Derived Mirna In Cancer**

The role of exosomes derived miRNA in cancer ,( Hussain S et al), Page-1856

**Extracorporeal Shockwave Therapy**

Role of extracorporeal shockwave therapy in patients with rotator cuff tendinopathy: synthetic analysis of last two decades ,( Fatima A et al), Page-1627

**F****Factor V Leiden G1691A**

Association of Factor V Leiden G1691A and Prothrombin gene G20210A mutations with adverse pregnancy outcomes ,( Ali S A et al), Page-1780

**Faculty Development Programme Initiative**

Evaluating the impact of faculty development programme initiative: Are we really improving skills in MCQ writing? ,(Kiran F et al), Page-2434

**Faculty Retention**

Strategies for improving faculty retention: A mixed-methods study in a private medical university in Karachi Pakistan ,( Zehra F et al), Page-2755

**Female Graduate Students**

KAP Study: Beliefs and knowledge of osteoporosis amongst female graduate students in Karachi Pakistan: A cross-sectional study ,( Kamal S et al), Page-1910

**Fetal Hemoglobin**

Modulatory effect of single nucleotide polymorphism in Xmn1 BCL11A and HBS1 L-MYB loci on fetal hemoglobin levels in ~thalassemia major and Intermedia patients ,( Bashir S et al), Page-1394

**Flow Replacement Cerebrovascular Bypass**

Flow replacement cerebrovascular bypass in the management of skull base meningiomas ,( Bukhari S S et al), Page-2831

**Fodder cutter ,(Tokka), Injuries**

Fodder cutter ,(Tokka), injuries: A

preventable morbidity ,( Ali D et al), Page-1022

**Foetal Echocardiography**

Research Article: Referral indications for foetal echocardiography in a low resource setting, ( Ladak A et al) , Page-390

**Foreign Accent Syndrome?**

What do we know about Foreign Accent Syndrome?, (Saquib J et al), Page183

**Formula Milk**

Letter to the Editor: Has Pakistan failed to ban the sale of formula milk? ,( Nakhuda A et al), Page-1522

**From Past To Future**

Time to move from past to future by making present creative: A Scoping review ,( Urooj U et al), Page-2623

**FSHR Gene Polymorphisms**

Association of FSHR gene polymorphisms with endometriosis in women visiting tertiary-care hospitals of Lahore Pakistan , ( Liaqat I et al), Page-1118

**G****Gastric Antral Vascular Ectasia , (GAVE),**

Successful treatment of refractory Gastric Antral Vascular Ectasia , (GAVE), in a cirrhotic patient with transcatheter arterial embolisation in a tertiary care facility in Pakistan: A case report , ( Alam L et al), Page-1263

**Gastric Volvulus**

Gastric volvulus in adults in a tertiary care hospital Karachi Pakistan: A case series , ( Parkash O et al), Page-1277

**Gastroenteropancreatic Neuroendocrine Tumours**

Gastroenteropancreatic neuroendocrine tumours: Clinicopathological evaluation at Shifa International Hospital Islamabad ,

(Mamoon N et al), Page-492

### **Gelotophobia**

Estimates of gelotophobia and perceived stress among obese individuals, (Akhtar et al), Page-81

### **Gene Polymorphism**

Correlation of C-reactive protein levels gene polymorphism and platelets count in Dengue infection , ( Shamshad S et al), Page-429

### **Generation Gaps**

Generation gaps in medical education: An exploratory qualitative Study ,( Murakami M et al), Page-1476

### **Genetic Reprogramming**

Genetic reprogramming of cord blood derived endothelial colony forming cells towards human induced pluripotent stem cells using episomal plasmids , ( Shahid O et al), Page-1081

### **Genezalised Lymphadenopathy**

Genezalised lymphadenopathy in a patient with fever of unknown origin as a differential diagnostic challenge - case report ,( Markovic S S et al), Page-1489

### **Gingival Biotype**

Comparison of gingival biotype in smokeless tobacco users ,(Gutka and Paan), and non-tobacco users ,( Moorpani P et al), Page-1561

### **Glioblastoma**

Management of paediatric glioblastoma, ( Pervez W et al) , Page-385

### **Glioblastoma**

Nanomedicine in the treatment of Glioblastoma ,( Jafri S K K e al), Page-2678

### **Glioblastoma**

Post-operative seizure control in patients with glioblastoma ,( Hani U et al), Page-

1698

### **Glucocorticoids For Premature Labor**

Letter to the Editor: Glucocorticoids for premature labor in low resource countries: Is the debate over? ,( Saleem A et al), Page-2292

### **Gluten-Free Diet**

The impact of a gluten-free diet on the growth pattern of Saudi children with celiac disease ,( Saadah O I), Page-1388

### **Glycaemic Compass**

The glycaemic compass: Time in range , (Kalra S et al), Page-562

### **Glycaemic Hygiene**

Glycaemic hygiene ,( Kalra S et al), Page-2823

### **Glycated Haemoglobin**

Glycated haemoglobin association with severity of thrombus burden in non-diabetic versus diabetic patients with ST-elevation myocardial infarction ,(Shah G A et al), Page-2355

### **GnRH LH and FSH**

Beyond GnRH LH and FSH: The role of kisspeptin on hypothalamic-pituitary gonadal ,(HPG), axis pathology and diagnostic consideration ,( Khan S H et al), Page-1862

### **Gout**

A comprehensive review on gout: The epidemiological trends pathophysiology clinical presentation diagnosis and treatment , ( Ashiq K et al), Page-1234

### **Graves' Disease**

Patient centred choice of anti-thyroid drugs in the treatment of graves' disease ,( Kalra S et al), Page-769

### **Guillain-Barre Syndrome , (GBS),**

Sensory symptoms on admission as a

predictor of respiratory insufficiency in patients of Guillain-Barre Syndrome , (GBS), , ( Aslam A et al), Page-446

### **Guillain-Barre Syndrome**

Study of Guillain-Barre syndrome etiology in Pakistani patients ,(Iqbal R et al), Page-2539

## **H**

### **Haematocolpos**

Recurrent formation of haematocolpos in a young girl with multiple congenital anomalies of the urogenital tract ,( Rana M Y et al), Page-1017

### **Haemodialysis**

Is haemodialysis the most feasible dialysis modality for Pakistan? , (Imtiaz S et al), Page-528

### **Haemoglobinopathies**

Frequency and types of haemoglobinopathies in children with microcytic Anaemia,( Khan S A et al), Page-78

### **Haemolytic Uraemic Syndrome**

Atypical haemolytic uraemic syndrome and its treatment: A case report ,( Khan A A et al), Page-1496

### **Hand Hygiene**

Perspective of health professionals on hand hygiene in a tertiary care center in Pakistan,( Bari A et al), Page-110

### **Hand-Washing**

Knowledge and practices regarding hand-washing among mothers of children less than five years of age in rural areas of District Sialkot,( Almas S et al), Page-105

### **Harmonic Scalpel**

Comparison of harmonic scalpel versus Milligan Morgan technique in haemorrhoidectomy patients ,(Ahmed M

et al), Page-2369

### **Health Education**

Effect of health education on awareness and practices of breast self-examination among females attending a charitable hospital at North Karachi ,( Jabeen Z et al), Page-2156

### **Health In Environment**

Health in environment: reduce surgical site infections by applying Florence nightingale's environmental theory , ( Rana A), Page-547

### **Health Insurance**

Health insurance acceptance of female labour force: A special focus on reproductive health ,( AmanUllah M et al), Page-1089

### **Healthcare Facilities**

Barriers to efficient provision of healthcare facilities: An experience from a developing country ,(Musharraf F F et al), Page-2487

### **Healthcare Professionals**

Linkage between performance of healthcare professionals and management practices in health care organizations ,( Bibi M), Page- 725

### **Health-Related Pilot Projects**

Factors affecting successful scale-up of health-related pilot projects ,( Ashraf M et al), Page-518

### **Hearing Impairment In Children**

Frequency of hearing impairment in children between the ages of 2 and 10 years with middle ear infection ,( Munir S B et al), Page-1662

### **Heller's Cardiomyotomy**

Resolution of symptoms after Heller's cardiomyotomy with DOR fundoplication versus endoscopic balloon dilatation in patients with achalasia Cardia at tertiary

care hospital ,( Qureshi S et al), Page-2321

### **Hemodialysis**

Assessment of nutritional status of hemodialysis patients by subjective global assessment score: A single centre study from Karachi Pakistan ,( Ghazi L et al), Page-2761

### **Hepatic Venous Pressure**

Is it necessary to measure hepatic venous pressure gradient before liver resection in cirrhotic patients? A single center audit ,( Bari H et al), Page-489

### **Hepatic Venous Pressure**

Is it necessary to measure hepatic venous pressure gradient before liver resection in cirrhotic patients? A single center audit ,( Kumar S et al), Page-893

### **Hepatitis B**

Predicting 90-day mortality at admission and 7 days post-admission among patients with hepatitis B virus-related acute-on-chronic liver failure, (Riaz Q et al), Page-22

### **Hepatitis B**

Seroprevalence of Hepatitis B, Hepatitis C, Human Immunodeficiency Virus syphilis and malaria among blood donors at tertiary care hospital blood bank ,( Qadir H et al), Page-897

### **Hepatitis B Virus**

Molecular characterization of hepatitis B virus basal core promoter and precore region of isolates from chronic hepatitis B patients ,( Ahmad I et al), Page-1575

### **Hepatitis C Virus**

Mandatory multidisciplinary management of hepatocellular carcinoma: Need of the hour in a country with high prevalence of hepatitis C virus infection ,( Khan M R et al), Page-1455

### **Hepatocellular Carcinoma**

A year of hepatocellular carcinoma at a glance Demographics biochemical and radiological characteristics and treatment modalities from a specialized facility of Pakistan ,( Alam L ), Page-1849

### **Heterotrophic Calcification**

Heterotrophic calcification of medial collateral ligament of knee joint: A case report ,( Amin I et al), Page-756

### **HFE Gene Polymorphism**

Lack of association of HFE gene polymorphism with high body iron status in Pakistani patients with type 2 diabetes mellitus ,( Muhammad J S et al), Page-608

### **High Bleeding Risk**

Frequency of high bleeding risk in patients undergoing percutaneous coronary intervention ,( Mahmood M M et al), Page-2186

### **Hip Dysplasia**

Anatomical parameters of and differences in the proximal femoral cavity in adult patients with developmental hip dysplasia ,( Zhao R et al), Page-2700

### **Hip Replacement**

Hip replacement for femur neck fracture in the elderly effects of delayed surgical intervention on morbidity and mortality a retrospective comparative study ,( Habib A A et al), Page-2255

### **History Taking**

Care by the Ear: The increasing role of history taking ,( Kalra S et al), Page-2674

### **HIV Infected Transsexuals**

Epstein - Barr virus epidemiology in HIV infected transsexuals ,( Salahuddin S et al), Page-1984

**HIV/AIDS**

Cost estimation of a school-based intervention for improving HIV/AIDS risk perception among secondary school adolescents in Enugu State Nigeria ,(Eneogu N D et al), Page-2052

**HIV/AIDS**

Stress-related growth of HIV/AIDS patients: Role of religion and self-esteem in mitigating perceived discrimination ,( Maqsood F et al), Page-1545

**Hoarding Disorder**

Estimates and demographic correlates of hoarding disorder in non-clinical sample in Pakistan ,( Inam A et al), Page-417

**Hodgkin Lymphoma**

Outcome of first relapse of Hodgkin lymphoma: single institution experience ,( Shaheen N et al), Page-883

**Hospitals Health Promotive**

Making hospitals health promotive ,( Bhamani S et al), Page-2117

**Human Immunodeficiency Virus**

Obstetric outcomes of Human Immunodeficiency Virus positive mothers in tertiary care hospital,( Tarar S H et al), Page-69

**Human Immunodeficiency Virus**

Translation and cross language validation of human immunodeficiency virus stigma scale in a Pakistani context ,( Nayyer F et al), Page-1768

**Human Papilloma Virus**

A case report of synchronous bilateral tonsillar carcinoma associated with human papilloma virus, ( Tamagawa S et al) , Page-352

**Hydroxyapatite**

Hydroxyapatite, a potent agent to reduce

dentin hypersensitivity ,(Gul H et al), Page-2604

**Hypermobility Among Children**

Hypermobility among children with autism spectrum disorders and its correlation with anthropometric characteristics ,( Tedla J S et al), Page-1076

**Hypertrophic Olivary Degeneration**

Hypertrophic olivary degeneration following cerebral trauma managed with rehabilitation — A case report ,( Zhou J et al), Page-1252

**Hyperuricaemia**

Association between hyperuricaemia and clinical pathological characteristics of patients with IgA nephropathy ,( Lu L et al), Page-1930

**I****Iatrogenic Intra-Spinal Subdural Haematoma**

Iatrogenic intra-spinal subdural haematoma: An exceptionally rare phenomenon ,( Ahmad W et al), Page-1290

**Immunodeficiency Virus**

Challenges of Antiretroviral Treatment for Human Immunodeficiency Virus Infection in Pakistan,(Shah S Al et al), Page-788

**Implants Among Women**

Knowledge attitude and practices regarding implants among women of childbearing age ,( Shaikh I B et al), Page-993

**Inflammatory Bowel Disease**

Very early onset inflammatory bowel disease: Spectrum of clinical presentation diagnostic tools and outcome in children ,(Cheema H A et al), Page-2350

**Inflammatory Bowel Diseases**

The cumulative effects of MEFV gene polymorphisms and mutations in patients with inflammatory bowel diseases , (Agin M et al), Page-479

**Inflammatory Myofibroblastic Tumour**

Inflammatory myofibroblastic tumour of genitourinary system ,(Nauman M et al), Page-2467

**Informed Consent Practices**

Informed consent practices in oral and maxillofacial surgery setups — an audit report , ( Shah I et al), Page-1197

**Infra-Inguinal Bypass**

Frequency of limb salvage after infra-inguinal bypass for chronic limb-threatening ischaemia in diabetics: A retrospective study ,(Rehman Z), Page-1885

**Inguinal Swelling**

Painful irreducible inguinal swelling: A rare presentation of retroperitoneal venous malformation in a boy — A case report ,( Azhar M et al), Page-2275

**Instrument Assisted Soft Tissue Mobilization**

Instrument assisted soft tissue mobilization- an emerging trend for soft tissue dysfunction ,( Mahmood T et al), Page-977

**Insulin Delivery Devices**

Person-friendly insulin delivery devices ,( Kalra S et al), Page-1039

**Insulin Stewardship**

Insulin stewardship for inpatient hyperglycaemia, ( Lathia T et al) , Page-379

**Integrated Curriculum**

Medical students' perceptions of their educational environment in an integrated

curriculum in Saudi Arabia ,( Altamimi T et al), Page-672

**Intellectual Disability**

Child with intellectual disability misdiagnosed as autism: A case study ,( Farooqi S et al), Page-2077

**Intercultural Sensitivity**

The intercultural sensitivity levels of primary health care workers in a city in Eastern Turkey ,( Cifci S et al), Page-2554

**Interferon Enzyme-Linked Immunosorbent Assay**

Clinical application evaluation and analysis of influencing factors analysis of on tuberculosis ?-Interferon enzyme-linked immunosorbent assay ,( Xu N et al), Page-2543

**Interleukin-1 Receptor**

Association study of interleukin-1 receptor associated kinase 1 rs3027898 A/C gene polymorphism and preeclampsia in Pakistani population ,( Mahmood A et al), Page-1332

**Internet Addiction**

Frequency and risk factors of internet addiction in medical students: A cross-sectional study ,( Ehsan A et al), Page-2111

**Intestinal Helminthic Infections**

Association between intestinal helminthic infections and anaemia status in preschool children in the district Skardu of Pakistan ,(Afridi M F et al), Page-2309

**Intestinal Obstruction**

A case report of abdominal sponge in ileum in a patient with intestinal obstruction, ( Ammar A S ) , Page-373

**Intimate Partner Violence**

Global surge in intimate partner violence after mandatory lockdown: Implications

for Pakistan ,( Hisam B et al), Page-780

### **Intracranial Ependymoma**

Management of pediatric intracranial ependymoma , ( Jafri S K K et al), Page-1288

### **Intracranial Haemangiopericytomas**

Management of Intracranial Haemangiopericytomas ,( Ahmad N et al), Page-1041

### **Intramedullary Spinal Cord Lesions**

Intramedullary spinal cord lesions in children ,( Hani U et al), Page-775

### **Intravenous Drug Abusers**

Intravenous drug abusers presenting with pseudoaneurysm and other surgical complications in Pakistan , (Qudeer M A et al), Page-556

### **Intravenous Infusions**

Infiltration and extravasation of intravenous infusions in children value of high-quality care on outcome , ( Litao H et al), Page-1181

### **Is Peer Assisted Learning**

Is Peer assisted learning better? A modern question to answer: A comparative study ,(Khan K W et al), Page-1940

### **Ischaemic Modified Albumin**

Is ischaemic modified albumin a marker in osteomyelitis patients? ,( Yazici C M et al), Page-1592

### **Ischemic Electrocardiographic Changes**

Prognostic significance of ischemic electrocardiographic changes during stress testing in patients with normal nuclear myocardial perfusion imaging ,( Adnan G et al), Page-1745

### **Ivabradine**

Ivabradine effects on heart rate and quality of life among chronic heart failure

patients,( Farooq F et al), Page-86

## **J**

### **Journey Of Enlightenment**

The Journey of Enlightenment ,( Ashraf M), Page-1921

## **K**

### **Kangaroo Mother Care**

The effect of kangaroo mother care applied to the healthy newborns in the early postpartum period on breastfeeding: A randomized controlled trial ,( Oksuz S K et al), Page-2124

### **Kidney Disease**

Trends in prescribing patterns and drug related problems of kidney disease patients ,( Yameen M A et al), Page-2629

### **Kill Two Birds**

To kill two birds with stone ,( Ahmad S et al), Page-1909

### **Knee Osteoarthritis**

Effects of biodex balance training on symptomatic knee osteoarthritis in Rawalpindi: A randomized control trial , ( Javed S et al), Page-402

### **Knee Osteoarthritis**

The association among perception of osteoarthritis with adverse pain anxiety symptoms of depression positive and negative affects in patients with knee osteoarthritis: A cross sectional study ,( Aqeel M et al), Page-645

### **Knee Osteoarthritis**

Walking related performance fatigability in persons with knee osteoarthritis; an important yet neglected outcome ,( Osama M et al), Page-1513

### **Kolb's Learning Style Inventory**

Assessing learning styles of medical students using Kolb's learning style

inventory and their association with preferred teaching methodologies , (Hydrie M Z I et al), Page-1157

## L

### **Lanthanide Fluorescence Immunoassay**

Diagnostic evaluation of heel prick newborn screening of thyroid stimulating hormone on dissociation-enhanced lanthanide fluorescence immunoassay with the establishment of reference value in Pakistani neonates, ( Raza A et al) , Page-191

### **Laparoscopic Experience**

Is laparoscopic experience helpful in simulator based robotic training in general surgery?,( Ghazanfar S et al), Page-2198

### **Laryngeal Mask Airway Insertion**

Are there predictive tests that determine the difficulty in Laryngeal Mask Airway Insertion? , ( Kucukosman G et al), Page-434

### **Laughter Therapy In Diabetes**

Laughter therapy in diabetes ,( Kumar V R et al), Page-1696

### **Learning Disorder**

Specific learning disorder among primary school children of Sarai , ( Kausar N et al), Page-1193

### **Left Sided Appendicitis**

Left sided appendicitis — a surgical dilemma: Case report ,( Mushtaq Z et al), Page-1483

### **Lepra Reactions**

Lepra reactions in new leprosy cases at diagnosis: A study of 50 Pakistani patients ,( Ghafoor R et al), Page-838

### **Lepra Reactions**

Lepra reactions: A study of 130 cases from

Pakistan ,(Tabassum S et al), Page-2317

### **Limb Amputations**

Predictors of lower limb amputations in patients with diabetic foot ulcers presented in a tertiary care hospital of Pakistan ,(Ammar A S et al), Page-2163

### **Liver Function Tests**

Role of C- reactive proteins and liver function tests in assessing the severity of dengue fever ,( Khetpal A et al), Page-810

### **Low Back Pain**

Frequency of low back pain in young adults and its relationship with different mattresses ,( Muazzam M R et al), Page-2177

### **Low Dose Ultrasound**

A comparison of low dose ultrasound and far-infrared therapies in patients with mechanical neck pain, ( Abousenna M M H S et al), Page-397

### **Lower Urinary Tract Symptoms**

Assessment of lower urinary tract symptoms among calcium channel blocker-users and its impact on quality of life ,( Salman M et al), Page-1384

### **Lung Cancer**

Clinical analysis of 125I seed implantation combined with Apatinib in the treatment of locally advanced lung cancer: A case series ,( Feng Y et al), Page-1025

### **Lung Ultrasound And Chest X-Rays**

Accuracy of lung ultrasound and chest X-rays in diagnosing acute pulmonary oedema in patients presenting with acute dyspnoea in emergency department ,(Ghauri S K et al), Page-2423

### **LUSPATERCEPT**

LUSPATERCEPT – a better strategy for thalassemia? ,( Qadeer M A et al), Page-2107

**Lymphoedema**

Effect of structured training program on arm dysfunction, lymphoedema and quality of life after breast cancer surgery ,( Bozdemir H et al), Page-1413

**Lymphoma**

Lymphoma involving the brain and adrenals: A chicken and egg Situation ,( Zafar T et al), Page-778

**Lymphoma First Approach**

Synchronous primary diffuse large B-cell lymphoma and papillary thyroid carcinoma: A case report highlighting "Lymphoma first approach" ,( Dhanani R et al), Page-2083

**M****Macular Ganglion**

Evaluation of practices of macular ganglion cell complex scan in early detection of glaucoma, (Aslam K et al), Page-130

**Macular Hole**

Spontaneous closure of full thickness macular hole in the presence of an epiretinal membrane in a vitrectomised eye: A case report ,( Siddiqui R et al), Page-2262

**Magnetic Resonance Imaging Of Orbits**

Diagnostic accuracy of B-scan in predicting retinoblastoma in children taking Magnetic Resonance Imaging of orbits as gold standard, ( Murad S et al) , Page-349

**Maladaptive Schema**

Maladaptive schema modes as the predictor of post-traumatic stress disorder among trauma survivors ,( Zaman S et al), Page-1789

**Management Of Difficult Airway**

Management of difficult airway in a

pregnant patient with severely reduced mouth opening ,( Shamim F et al), Page-1011

**Maple Syrup Urine Disease**

Case Series: Maple syrup urine disease: magnetic resonance imaging findings in three patients , ( Allahwala A et al), Page-1309

**Materials Used In Dentistry**

Patient's perspective and awareness of materials used in dentistry , ( Sajid M et al), Page-1171

**Maternal Attitudes**

Influence of maternal attitudes and parenting style on children`s dental caries experience ,(Abbasoglu Z et al), Page-2325

**Maternal Depression**

Maternal depression and its correlates: A longitudinal study ,( Tariq N et al), Page-1618

**Maternal Near Miss**

Maternal near miss, mortality and their correlates at tertiary care Hospital ,( Wasim T et al), Page-1843

**Maternal Tolerance**

Effect of maternal tolerance on behavioural problems in children with Enuresis ,( Munawar M et al), Page-1551

**Maternal-Care**

Factors affecting Maternal-care during labour at maternity centres of Karachi Pakistan: Exploratory study ,( Shahzaib N et al), Page-2061

**Maxillary Ectopic Canine**

Frequency and association of maxillary ectopic canine with incisor root resorption and dental agenesis, ( Nagani N I et al) , Page-277

**Maxillary Posterior Teeth**

A CBCT based evaluation of root proximity of maxillary posterior teeth to sinus floor in a subset of Pakistani population ,( Motiwala M A et al), Page-1992

**Maxillary Protraction**

Effects of different types of maxillary protraction on maxilla with finite element analysis ,( Buyukcavus M H et al), Page-877

**Maxillofacial Prosthodontists**

Maxillofacial prosthodontists are needed for the rehabilitation of patients with congenital and acquired craniofacial defects ,(Kazmi S M R et al), Page-1671

**Measles**

Risk factors for mortality among admitted children with complications of measles in Pakistan: An observational study ,( Aurangzeb B et al), Page-497

**Measles**

Trend of measles in Turkey: A retrospective secondary data analysis ,( Sahinoz T et al), Page-1527

**Medical Social Work in Healthcare**

Nature and scope of Medical Social Work in Healthcare setting in Pakistan ,(Sajid I et al), Page-2385

**Medication Adherence**

Determinants of medication adherence in patients with HIV: Application of the health belief model ,( Ashraf M et al), Page-1409

**Memory Recall**

Difference in memory recall among medical students after reading printed text ,(hard copy), vs on screen text ,(soft copy), ,( Mehnaz A et al), Page-1450

**Memoryporosis**

Memoryporosis: Dementia in primary care diabetology ,( Kalra S et al), Page-772

**Menstrual Hygiene**

Poor menstrual hygiene management: An adverse outcome of menstrual stigmatisation in Pakistan ,( Mustafa R M et al), Page-1712

**Mental Disorders**

Effects of drug abuse and mental disorders on oral health: A case report ,( Magdaleno M O et al), Page-2820

**Mental Health Consequences**

Moderation role of proactive coping between psychological place attachment and its mental health consequences in sojourners ,( Akbar R M et al), Page-2531

**Mental Health Issues**

The mental health issues of eunuchs in the context of social exclusion ,( Bibi R et al), Page-578

**Mental Health Problems**

Role of religiosity, optimism, demographic characteristics and mental health problems among cancer patients ,( Abbas Q et al), Page-859

**Mental Imagery Technique**

Effects of mental imagery technique in addition to conventional physical therapy to improve hand functions in chronic stroke patients ,(Mubeen I et al), Page-1944

**Merkel Cell Carcinoma**

Merkel cell carcinoma of the gluteal region: A rare case report and literature review ,( Corapli M et al), Page-1273

**Mesenteric Inflammatory Veno-Occlusive Disease**

Mesenteric inflammatory veno-occlusive

disease: what is it and why it is important to know it? ,( Zia- Ur- Rehman), Page-2840

### **Meta-Analysis Of Diabetes Mellitus**

Meta-analysis of diabetes mellitus prevalence among tuberculosis patients in Asia and Africa , ( Nawaz H et al), Page-1200

### **Metabolic Optimization In Diabetes**

Metabolic optimization in diabetes: A hierarchical model ,( Kalra S et al), Page-1506

### **Metabolic Syndrome**

Association between hypoxia-inducible factor-1 alpha rs11549465 ,(1772 C>T), polymorphism and metabolic syndrome ,( Zafar U et al), Page-1832

### **Metabolic Syndrome**

Metabolic syndrome in Children: An emerging Epidemic , ( Ishaque A), Page-396

### **Metastatic Castration Resistant Prostate Cancer**

Tc-99m PSMA and Lu-177 PSMA Theranostic Pair in a Patient of Metastatic Castration Resistant Prostate Cancer ,( Sheikh N et al), Page-2479

### **Metastatic Pancreatic Carcinoma**

Unusual presentation of metastatic pancreatic carcinoma ,( Salahuddin M K et al), Page-1493

### **Methicillinresistant Staphylococcus aureus (MRSA)**

In vitro efficacy of Daptomycin against clinical isolates of Methicillinresistant Staphylococcus aureus (MRSA) , ( Shah A et al) , Page-338

### **Methicillin-resistant Staphylococcus Aureus,(MRSA)**

Effect of abluion on Methicillin-resistant Staphylococcus aureus,(MRSA), nasal

colonisation in healthcare workers ,( Shoab N F et al), Page-1472

### **Metronidazole And Amoxicillin**

Prevention of dry socket in mandibular 3rd molars with single preoperative oral dose of metronidazole and amoxicillin compared to conventional therapy ,( Khooharo T S et al), Page-585

### **MicroRNA miR-425**

MicroRNA miR-425 inhibits proliferation and migration of colorectal cancer HCT116 cells ,( Zhou H et al), Page-2167

### **Midazolam**

Safety of balanced propofol and midazolam in upper gastrointestinal endoscopy for sedation in cirrhotic patients,( Alam L et al), Page-64

### **Midazolam And Diazepam**

A comparison of intravenous midazolam and diazepam in management of status epilepticus in children ,(Kazmi A et al), Page-640

### **Migraine**

Prevalence triggers and presentation of migraine among the college and university students: Review of the available literature ,( Javid Q ) , Page-2617

### **MIR-146A Gene Polymorphism**

Association of miR-146a gene polymorphism and expression levels of its target protein RhoA in Pakistani breast cancer patients ,( Rahim A et al), Page-686

### **MiRNA-16 SURVIVIN and TP53**

Expression levels of MiRNA-16, SURVIVIN and TP53 in Preeclamptic and Normotensive women ,( Ali Z et al), Page-2208

### **Mobilization With Movement**

Comparison of mobilization with movement and Mulligan knee taping on

Patellofemoral pain syndrome ,( Rehman M et al), Page-2119

### **Modular Curriculum**

Knowledge scores in annual and modular curriculum among medical students from Karachi Pakistan ,( Uneeb S N et al), Page-681

### **Molecular Genetics Of UV-Sensitive Syndrome**

The molecular genetics of UV-Sensitive syndrome: A rare dermal anomaly ,( Muzammal M et al), Page-2391

### **Morphometric Measurement**

Distinctive morphometric measurement of frontal sinuses among the female ethnic populations living in Karachi ,( Javid Q et al), Page-1725

### **Mothers' Nutritional Status**

Correlates of mothers' nutritional status in developing economies: Evidence from demographic and health surveys ,( Soharwardi M A et al), Page-2065

### **Motivational Interviewing**

Effects of motivational interviewing with conventional physical therapy on rehabilitation of chronic musculoskeletal disorders: A quasi-experimental study ,( Jamil A et al), Page-1123

### **Motivation-Opportunity-Capability Model**

The motivation-opportunity-capability model of behavioural therapy — the vital component of effective patient centric obesity management ,( Kalra S et al), Page-1900

### **Mucocoele Of The Appendix**

Mucocoele of the appendix: A case report ,( Farooqui F et al), Page-1260

### **Mullerian Duct Anomaly**

The accessory fallopian tube a rare Mullerian duct anomaly: Two case report, (

Kale I) , Page-370

### **Mulligan Mobilization**

Comparing the effectiveness of Mulligan mobilization versus Cyriax approach in the management of patients with subacute lateral epicondylitis, (Ahmed A et al),Page-12

### **Mulligan Mobilization**

Effectiveness of mulligan mobilization and kinesio-taping technique on the anterior innominate dysfunction in females ,( Farooq S et al), Page-1716

### **Multicoagulant Resistant Pseudothrombocytopenia**

Multicoagulant resistant pseudothrombocytopenia ,( Waseem N et al), Page-2247

### **Multiple Myeloma**

Central nervous system involvement in Multiple Myeloma—Diagnosis treatment and outcome: A case report ,(Ali M U et al), Page-2659

### **Muscle Dysmorphia**

Drive for muscularity and tendencies of muscle dysmorphia among Pakistani bodybuilders: A prevalence study ,(Bashir U et al), Page-1350

### **Muscle Energy Technique**

Comparison of effectiveness of muscle energy technique with Mulligan mobilization in patients with non-specific neck pain ,( Manzoor A et al), Page-1532

### **Musculoskeletal Disorders**

Impact of musculoskeletal disorders on quality of life of patients visiting tertiary care hospital ,( Khalid S et al), Page-1976

### **Myeloid Sarcoma**

Myeloid Sarcoma — a diagnostic challenge in paediatric practice ,( Nageen T et al), Page-2806

### **Myeloperoxidase: Indicator Of Cardiovascular Disease**

Myeloperoxidase: Indicator of cardiovascular disease in chronic kidney disease patients of tertiary care hospital of Karachi , ( Noor S et al), Page-1128

## **N**

### **Nasal Chondromyxoid Fibroma**

Case report of a female child with right nasal chondromyxoid Fibroma ,( Ahmed Z et al), Page-1897

### **NAT2 Gene Polymorphism**

Association study of NAT2 gene polymorphism and risk of oral cancer in Southern Punjab Pakistan ,(Imam H et al), Page-1954

### **Natural Herbs**

Natural herbs: A potential treatment option for diabetes and associated neuropsychological deficits ,( Ahmad S et al), Page-1292

### **Nebulization**

Comparison of 3% saline and 0.9% normal saline nebulization as diluent in children with bronchiolitis ,( Sapkota S et al), Page-822

### **Neonatal Life Support ,(NeoLiS)**

Improvement in knowledge of healthcare professionals attending Neonatal Life Support ,(NeoLiS), training workshop ,( Munir Z et al), Page-1996

### **Neonatal Mortality**

Differentials and determinants of neonatal mortality in Pakistan: A cross sectional analysis; Pakistan Demographic and Health Survey ,(2017-18), ,(Kamal A et al), Page-900

### **Neonatal Parotitis**

Neonatal Parotitis: A case report ,( Khan N et al), Page-1682

### **Nephrolithiasis**

Nephrolithiasis: What role a nephrologist can play in prevention and Management ,( Naqvi R), Page-2296

### **Nervous System Tumours or CNS Tumours**

Role of Preoperative Embolization in Management of Central Nervous System Tumours, (Ummey Hani et al), Page-172

### **Neural tube defects**

Neural tube defects, their implications and solutions in Muslim society,( Fayyaz M et al), Page-156

### **Neuroendocrine Tumour**

Neuroendocrine tumour of the ampulla of Vater: A rare neoplasm at an atypical site ,( Zahid A et al), Page-1486

### **Neuroendocrine Tumour**

Primary hepatic neuroendocrine tumour: A rare entity — multimodal approach for diagnosis and management,( Bari H et al), Page-150

### **Neuro-Oncology Tumour Boards**

Role of multidisciplinary neuro-oncology tumour boards in cancer Management ,( Bajwa M H et al), Page-2285

### **Neuropsychological Functioning**

Neuropsychological functioning in children with and without specific learning disorder ,( Mufti S et al), Page-629

### **Neurosurgical**

Audit: Improvement in the quality of patient notes: A report of a closed loop audit quality improvement project at a neurosurgical department in Pakistan ,( Ashraf M et al), Page-1515

### **Next Generation Sequencing**

Next generation sequencing detection in archival surgically resected lung

adenocarcinoma specimens harbouring the anaplastic lymphoma kinase fusion protein , (Jiang Z et al), Page-531

### **Nomophobia On Anxiety**

Effects of nomophobia on anxiety stress and depression among Saudi medical students in Jeddah Saudi Arabia ,( Bano N et al), Page-854

### **Non ST-Elevation Myocardial Infarct**

Role of heart fatty acid binding protein in early detection of non ST-elevation myocardial infarct and its comparison with other cardiac markers, ( Habib S M S et al) , Page-233

### **Non-Alcoholic Fatty Liver**

The frequency of non-alcoholic fatty liver disease in non-obese young medical professionals ,( Aziz B et al), Page-1878

### **Non-Scholastic Skills**

Assessment of non-scholastic skills ,(non-clinical), in trainee residents ,(Husnain A et al), Page- 2397

### **Notch Signaling**

Notch Signaling & MicroRNAs - two tumblers of neurogenesis and Gliomas, ( Javed Z et al) , Page-310

### **Novel Definition Of Health**

A novel definition of health: Crafting a contemporary classic ,( Kalra S et al), Page-2490

### **Nursing Education**

Phasing out diploma in nursing: Merits and implications on nursing education in Pakistan ,( Khuwaja H M A), Page-1047

### **Nutrition In Cirrhosis**

Knowledge and clinical practices of medical doctors regarding nutrition in cirrhosis patients – A multicentre study from Pakistan ,( Alam L et al), Page-2009

### **Nutritional Anaemia**

Prevalence of Nutritional Anaemia with Association of Body Mass Index among Karachi University students, Pakistan,( Khan U et al), Page-55

## **O**

### **Obesity**

Difficult to defeat obesity: An 8D approach ,( Kalra S et al), Page-2283

### **Obesity**

Obesity a communicable disease – A new age paradigm ,( Kapoor N et al), Page-2100

### **Obesity**

The Ominous Octet of Obesity: A framework for obesity pathophysiology ,( Kalra S et al), Page-2475

### **Obesity And Fast Food**

Prevalence and factors related to obesity and fast food consumption among Mutah University students Jordan ,(Mwafi N R et al), Page-1608

### **Obesity-Friendly Health Care**

Obesity-Friendly Health Care Services – A pragmatic approach ,(Kalra S et al), Page-2676

### **Obstetric Cholestasis**

Clinical profile and screening of exon 6 and 14 of ABCB4 gene in obstetric cholestasis patients at a tertiary care hospital in Rawalpindi Pakistan ,( Noor N et al), Page-1633

### **Occlusal Plane**

Relationship of natural occlusal plane with different anatomical landmarks ,( Khan M et al), Page-863

### **Occupational Safety**

Occupational safety in nurses working in a tertiary care hospital in Turkey , (Camci G

et al), Page-465

### **Omega 3 Fatty Acid**

Role of omega 3 fatty acid in chemotherapy induced cognitive decline , (Shahid A et al), Page-575

### **One Vector More Than One Infection**

One vector more than one infection: Can occur simultaneously , ( Naqvi R), Page-1056

### **Onychomycosis**

A cross sectional study to observe the diversity of fungal species in Onychomycosis isolated from a tertiary care hospital in Karachi,( Ahmed R et al), Page-51

### **Oracle Study- Fibromyalgia**

The oracle study- fibromyalgia prevalence and severity in the hospital setting in the Pakistani population ,( Arif M A et al), Page-1357

### **Oral Cancer**

Life-time tobacco consumption and oral cancer among citizens of a high incidence metropolis ,( Alamgir M M et al), Page-1588

### **Oral Cavity Cancer**

Screening for malnutrition in oral cavity cancer patients prior to treatment: A cross-sectional study, (Iftikhar H et al), Page-122

### **Oral Squamous Cell Carcinoma**

Serum p53 antibodies detection in oral squamous cell carcinoma, oral potentially malignant disorders and healthy individuals: A multicentre study ,(Khan A S et al), Page-2364

### **Oral Squamous Cell Carcinomas**

Prognostic potential of CK-19 managing disseminated oral squamous cell carcinomas in Pakistan: A descriptive

cross-sectional study ,( Iqbal W et al), Page-1028

### **Orbital Relapse**

Orbital relapse in children treated for Pre-B ALL a retrospective case Series, ( Seher K et al) , Page-360

### **ORS And Zinc**

Awareness of quantity of ORS and Zinc among mothers of under five children with diarrhoea at a tertiary care Centre Lahore ,(Duggal M N et al), Page-921

### **OSCE Scores**

Comparison of OSCE scores of surgical clinical education after face-to-face vs blended learning methods among undergraduate medical students ,( Jawaid M et al), Page-1535

### **Osteomyelitis**

Is ischaemic modified albumin a marker in osteomyelitis patients? , (Adanas C et al), Page-461

### **Ovarian Cancer**

An audit of gynae-oncology practices in ovarian cancer treatment based on enhanced recovery after surgery ,(ERAS), protocol amongst two gynae-oncology units in UK and in Pakistan ,( Chishti U et al), Page-2014

### **Ovarian Cancer**

Stage IVA ovarian cancer one year following the third IVF Procedure ,( Jin Q et al), Page-1270

### **Ovarian Germ Cell Tumour**

Anaesthetic technique for ovarian germ cell tumour with acute kidney injury in a young Asian woman , ( Kumar D et al), Page-1258

### **Ovarian Malignancy**

Retrospective study of ovarian malignancy managed in surgical unit at

Shaukat Khanum Memorial Cancer Hospital and Research Centre Lahore ,( Ali S I et al), Page-696

### **Oxidative Stress**

Letter to the Editor: Oxidative stress vitamin D deficiency and male infertility: An under-looked aspect ,( Shahid M et al), Page-786

### **Oxidative Stress**

Metformin, Oxidative Stress and Male Infertility: Way Forward ,( Alam F et al), Page-781

## **P**

### **Paediatric Craniopharyngioma**

Complete versus Subtotal Resection of Paediatric Craniopharyngioma ,( Pervez W et al), Page-564

### **Paediatric Emergency**

Profile and outcomes of in-hospital cardiac arrest in a paediatric emergency department ,(Habib M I et al), Page-2439

### **Paediatric Ewing Sarcoma**

Clinical Outcome of paediatric ewing sarcoma and significance of pathological necrosis for mortality after neoadjuvant chemotherapy: Single institutional study ,(Sindhu I I et al), Page-2344

### **Paediatric Neurological Care**

Improving Paediatric Neurological Care in Pakistan, ( Sultan T et al), Page-2696

### **Palliative Care**

Status of the palliative care education in surgical postgraduate curriculum — implications for Pakistan, ( Riaz Q et al) , Page-319

### **Pancreaticoduodenectomy**

Long term outcomes after pancreaticoduodenectomy: A single center experience from Pakistan ,(Bhatti A

B H et al), Page-1838

### **Paralytic Scoliosis**

Occurrence of paralytic scoliosis in patients with poliomyelitis reporting at Fauji Foundation Hospital Rawalpindi ,( Tassadaq N et al), Page-737

### **Parathyroid Adenoma**

Giant parathyroid adenoma diagnosed by brown tumour a clinical manifestation of primary hyperparathyroidism: A case report ,( Yigit B et al), Page-1266

### **Parenting Styles**

Perceived parenting styles and primary attachment styles of single and children living with both parents ,( Idrees M et al), Page-1540

### **Past, Present and Future of Urology**

Past, Present and Future of Urology in Pakistan ,(Hussain M ), Page-2407

### **Pastoral Communities**

Indicators of child health in pastoral communities in the Karakoram and Hindukush mountains Pakistan ,( Kakalia S),Page-997

### **Pediatric Surgical Cardiac Care**

Letter to the Editor: Lack of pediatric surgical cardiac care in Pakistan ,( Rehman M A et al), Page-2290

### **Peer Review In Pakistan**

Peer review in Pakistan: The reviewer's predicament ,( Mansoor S N), Page-2492

### **Perceived Husband's Support On Postpartum Depression**

Effect of perceived husband's support on postpartum depression: Mediating role of need for approval ,( Adil A et al), Page-2203

### **Perception About Kahoot!**

To assess students' perception about

Kahoot! as an innovative learning tool in oral pathology- a qualitative study ,(Ali M F et al), Page-2426

### **Perceptions Regarding Autopsy**

Knowledge and societal perceptions regarding autopsy amongst different educational backgrounds in Karachi Pakistan ,(Farooqui M M et al), Page-1613

### **Percutaneous Coronary Intervention**

Frequency and impact of slow flow / no flow in primary percutaneous coronary intervention ,(Shah G A et al), Page-2548

### **Perineal Tears**

A clinical audit of management of third and fourth degree perineal Tears ,(Abrar S et al), Page-1446

### **Periodontal Disease**

Correlation between glycemic state and tooth mobility in patients with periodontal disease ,(Saeed Q et al), Page-1337

### **Periodontitis**

Case-control study for assessment of factors associated with periodontitis among adults attending university hospital in Karachi Pakistan, (Rafique S et al) , Page-252

### **Periodontitis**

Periodontitis management in diabetes care ,(Mathew J E et al), Page-2097

### **Perioperative Analgesia**

Comparison of perioperative analgesia between intravenous paracetamol and fentanyl for rigid hysteroscopy: A randomised ,(Kumar D et al), Page-1980

### **Personality Disorder Symptoms**

Sub-clinical borderline personality disorder symptoms as predictor of suicidality and non-suicidal self-injury in young Pakistani females ,(Zareen G et al),

Page-740

### **Pervasiveness Of Psychiatric Features**

A cross-sectional study to understand the pervasiveness of psychiatric features among tinnitus and vertigo patients ,(Ahmed A et al), Page-2340

### **Pharmacist-Led Interventions**

Impact of pharmacist-led interventions on diabetes management at a community pharmacy in Pakistan: A quasi-experimental study ,(Abubakar M et al), Page-1924

### **Pharmacovigilance**

Hardships of drugs monitoring – Ambiguities in pharmacovigilance rules 2018 and guidelines 2019 in the Pakistan ,(Abbas N et al), Page-2481

### **Physical Activity**

Levels of physical activity and its association with antigravity muscles ,(Butt R et al), Page-2445

### **Physical Disabilities**

Relationship between clinical anger and suicidal ideation among people with physical disabilities ,(Andleeb N et al), Page-2442

### **Physical Therapy**

Comparative effectiveness of routine physical therapy with and without instrument assisted soft tissue mobilization in patients with neck pain due to upper crossed syndrome ,(Mahmood T et al), Page-2304

### **Physiological Pregnancy**

Translation and validation study of Quality of Life Questionnaire for Physiological Pregnancy at Sandeman Provincial Hospital Quetta Pakistan ,(Ishaq R et al), Page-2582

### **Physiotherapy**

A study to observe the effects of physiotherapy with and without manual therapy in the management postural neck pain: A randomized control trial, (Nasir M F et al), Page-8

### **Physiotherapy**

Physiotherapy practices for patients undergoing coronary artery bypass grafting: A cross-sectional study, (Khan M et al), Page-247

### **Polio**

Letter to the Editor: Polio: The road to eradication threatened, (Ahmed A et al), Page-395

### **Polycystic Ovary**

Genetic association study of ERBB4 SNPs rs1351592 with polycystic ovary syndrome in Pakistani population, (Afzal T et al), Page-332

### **Polycythemia**

Post renal transplant polycythemia and treatment: A single center study, (Khan A A et al), Page-889

### **Positional Syncope**

Positional syncope occurring just at the right time in a patient with a permanent pacemaker: A case report, (Naqvi S H R et al), Page-2461

### **Post Coronary Artery Bypass Grafting**

Challenges experienced by post coronary artery bypass grafting patients: A qualitative study from Peshawar Khyber Pakhtunkhwa Pakistan, (Ahmad I et al), Page-1827

### **Post- Menopausal**

Effects of core muscle stability on low back pain and quality of life in post-menopausal women: A comparative study, (Kanwal, S et al), Page-37

### **Posterior Segment Diseases**

Outcomes of 27gauge pars plana vitrectomy for a variety of posterior segment diseases, (Awan M A et al), Page-2570

### **Posterior Trunk**

Management of a giant carbuncle on the posterior trunk with excision and grafting, (Akram M U et al), Page-2665

### **Post-Traumatic Acute Respiratory Distress Syndrome**

Association of post-traumatic acute respiratory distress syndrome on poor prognosis: A single-center study, (Luo L et al), Page-440

### **Post-Traumatic Arteriovenous Fistulae**

Post-traumatic arteriovenous fistulae of the extremities: A case series, (Zia-Ur-Rehman et al), Page-2451

### **Post-Traumatic Stress**

Recurrent bilateral frontal lobe lesion with maladaptive schema modes and post-traumatic stress disorder symptoms: a case study, (Zaman S et al), Page-363

### **Prediabetes In Adolescents**

Prediabetes in adolescents - an emerging epidemic - a cross-sectional survey of medical students at a public university Quetta Pakistan, (Shahzad F et al), Page-1438

### **Predicting Suicidal Intent**

Impact of perceived social support and parental bonding in predicting suicidal intent among self-harm patients, (Yaqoob N et al), Page-1148

### **Preformed Archwires**

Comparison of commercially available preformed archwires with average natural arch forms, (Mughal A T et al), Page-2495

### **Preventable Maternal Morbidity And Mortality**

Using World Health Organisation near miss approach to assess preventable maternal morbidity and mortality at a tertiary care hospital ,( Ansari A et al), Page-2721

### **Prevention Of Needle Stick Injuries**

Knowledge attitude and practice regarding prevention of needle stick injuries among nursing students in Henan province China ,(Wang D et al), Page-2420

### **Pricking Pain**

Effect of pre-cooling agent on intensity of pricking pain at intraoral injection site in adults: An experimental study ,( Aziz M et al), Page-1379

### **Primary Care Diabetes**

Essential diagnostics and devices in primary care diabetes ,( Wahab M U et al), Page-2281

### **Privacy And Confidentiality**

Patient's expectations of privacy and confidentiality in Pakistan: A mixed-methods study ,( Shirazi B et al), Page-537

### **Problem-Based Learning**

Perception of medical students about problem-based learning at Jouf University ,( Bandy A), Page-1152

### **Proprioception Training**

Effects of proprioception training program on balance among patients with diabetic neuropathy: A quasi-experimental trial ,( Iram M et al), Page-1818

### **Prostate**

A rare case of Diffuse Large B-Cell Lymphoma of the Prostate on 18F-FDG PET-CT, ( Usmani S et al) , Page-388

### **Prostate Cancer**

DCUN1D1 promotes tumour progress in

prostate cancer and its effect on DU145 in vitro ,(Huang S et al), Page-473

### **Prostatic Cystadenoma**

Giant dumbbell-shaped prostatic cystadenoma presenting as pelvic and scrotal mass ,( Zeng X W et al), Page-759

Protein And Peptide Drug Delivery System Routes and barriers associated with protein and peptide drug delivery system ,( Saeed S et al), Page-2032

### **Proximal Humerus Fractures**

Functional outcomes in proximal humerus fractures: A prospective registry-based analysis ,( Ahmad T et al), Page-1870

### **Proximal Subclavian Artery Injury**

Proximal Subclavian artery injury managed without performing median sternotomy: A case report ,( Zia Ur Rehman), Page-1045

### **Pseudo Papillary Pancreatic Tumour**

Paediatric pseudo papillary pancreatic tumour: A case based review ,( Sajid M I et al), Page-1709

### **Pseudomonas Aeruginosa**

Dissemination of NDM-1 in pseudomonas aeruginosa and klebsiellapneumoniae isolated from pus samples in tertiary care hospitals of Quetta Pakistan, ( Din M et al) , Page-228

### **Psychiatric Morbidity**

Psychiatric morbidity among informal caregivers of children suffering from intellectual developmental disorders ,( Khalid H et al), Page-2005

### **Psychological Distress**

Relationship between psychological distress, quality of life and resilience among medical and non-medical students ,( Noreen A et al), Page-2181

**Psychological Distress**

Unmet psycho-social needs coping strategies and psychological distress among people with cancer: Evidence from Pakistan ,( Shahid N et al), Page-1373

**Psychometric Scale**

Development and validation of a psychometric scale to assess attitude towards safe abortions in Pakistan, (Gul X et al), Page-124

**Psychosocial Functioning**

Psychosocial functioning of the patient with spinal cord and whiplash injury: A case report ,( Zaman S et al), Page-2080

**Psychosocial Issues**

Psychosocial issues of hearing impaired school children: a psychometric approach, ( Ain Q et al) , Page-306

**Pulmocrinology**

Pulmocrinology: Interplay of pulmonary and endocrine diseases ,( Kantroo V et al), Page-1033

**Pulmonary Exacerbation**

Risk factors leading to pulmonary exacerbation in patients with cystic fibrosis: A systematic review ,( Aziz D A et al), Page-2217

**Pulmonary MDRTB**

Culture conversion and six months interim outcomes in retreatment cases of pulmonary MDRTB - a six month interim analysis ,( Batool R et al), Page-2710

**Purse-String**

Outcome of purse-string versus linear skin closure after ileostomy stoma reversal in terms of stoma sites infection and cosmesis , (Ali D et al), Page-414

**Q****Quality Assurance Procedures**

Quality assurance procedures in assessment — a descriptive study of medical colleges in Pakistan , ( Murad N et al), Page-1113

**Quality Of Life**

Frequency and impact of individual symptoms on quality of life in dry eye disease in patients presenting to a tertiary care hospital , ( Arif S A et al), Page-1063

**R****Rational Drug Use**

Rational drug use in elderly patients in a primary care center ,( Yazicioglu B et al), Page-1353

**Reality vs. Rights**

The Human Touch- REALITY vs RIGHTS,( Jawad F et al), Page-2

**Red Blood Cell Transfusion**

Red blood cell transfusion in critically-ill children and its association with outcome ,( Sohail H et al), Page-1967

**Referral Writing**

Referral writing: Consensus building on a tool for writing structured referrals ,( Azhar F et al), Page-2794

**Reliability And Validity**

Reliability and validity: Importance in Medical Research ,(Ahmed I et al), Page-2401

**Renal Dysfunction**

Renal dysfunction due to advance pelvic organ prolapse ,( Razzak L et al), Page-2662

**Reporting Medical Errors**

Attitudes and practice of surgeons in reporting medical errors at a tertiary care hospital ,( Rashid Z et al), Page-1051

**Retrograde Intrarenal Surgery**

Analysis of clinical factors associated with intraoperative and postoperative complications of retrograde intrarenal surgery ,( Ozden C et al), Page-1666

**Retroperitoneal Metastases**

Rare case image of retroperitoneal metastases from breast primary , (Ahmad W et al), Page-567

**Reverse Dot Blot Hybridization Assay**

Letter to the Editor: Reverse dot blot hybridization assay — An expeditious diagnostic tool for drug resistant TB ,( Muhammad F et al), Page-2851

**Role Wii Fit Exer-Games**

Role Wii Fit exer-games in improving balance confidence and quality of life in elderly population ,( Khushnood K et al), Page-2130

**Rotavirus Disease**

Awareness and knowledge regarding rotavirus disease and vaccine among healthcare providers in tertiary care settings ,( Shah A Y et al), Page-1479

**S****Safety And Effectiveness**

Safety and effectiveness of ultrasound guided peripheral nerve blocks: Audit at tertiary care hospital ,( Salam A A et al), Page-1623

**Safety Awareness**

Patient safety awareness and attitude among interns of a tertiary care hospital ,( Mitha A A et al), Page-2645

**Salivary And Imaging-Based Biomarkers**

Salivary and imaging-based biomarkers of radiation therapy-induced xerostomia ,( Atif S et al), Page-938

**Sarcomatoid Carcinoma Of The Maxilla**

Sarcomatoid Carcinoma of the Maxilla: A Diagnostic Dilemma ,(Raza R et al), Page-2479

**Schizophrenia**

Effect of positive and negative symptoms on schizophrenia related quality of life of hospitalized schizophrenic patients at Sargodha and Lahore: Moderating role of neuropsychiatric symptoms,( Kousar T et al), Page-4

**Scholarly Black-Market**

The rising menace of scholarly black-market in the developing world: Challenges and solutions ,( Memon A R et al), Page-1523

**Second Wave Of Covid-19**

Letter to the Editor: Community-wide mask-wearing: A realistic approach amidst the second wave of Covid-19 in Pakistan ,( Rehan B et al), Page-1915

**Secondary Care Setting**

Referral pattern and outcomes of neonates from secondary care setting of Aga Khan University Hospital to tertiary care centers in Pakistan ,( Khemani S et al), Page-1432

**SECURE**

Approach to glucose control: The SECURE model,( Punyani H et al), Page-168

**Seizure control**

Seizure control after surgical resection of insular glioma ,( Gauhar F et al), Page-2103

**Self-Directed Learning**

Perceptions of Saudi medical students regarding self-directed learning: A qualitative study ,( Imran M et al), Page-1403

**Self-Esteem**

Assessment of the relationship between

self-esteem and academic score of undergraduate medical students of Azad Kashmir Pakistan ,(Javaeed A et al), Page-2641

### **Self-Harm Behaviour**

Self-harm behavior, psychopathological distress and suicidal ideation in normal and deliberate self-harm outpatient's adults ,(Aqeel M et al), Page-2143

### **Self-Medication**

An overview of self-medication: A major cause of antibiotic resistance and a threat to global public health ,( Rehman M et al), Page-943

### **Self-Reported Happiness**

Association of self-reported happiness with sociodemographic factors and personal habits amongst students in a university in Karachi, ( Syed H et al) , Page-341

### **Sepsis Among Resident Physicians**

Knowledge and attitude towards identification and management of sepsis among resident physicians in a tertiary care teaching hospital in Pakistan ,( Arshad A et al), Page-1000

### **Sepsis And Septic Shock**

Knowledge attitudes practices and perceived barriers of emergency health care providers regarding sepsis and septic shock in a tertiary care centre: A cross-sectional study ,( Ismail M et al), Page-748

### **Sequential Bilateral Cataract**

Post-operative endophthalmitis after immediate sequential bilateral cataract Surgery: A retrospective study from Pakistan ,(Siddiqui M A R et al), Page-2359

### **Sevoflurane Anesthesia**

Comparison of blood pressure and pain rating index used for depth regulation of

sevoflurane anesthesia ,( Zhang J et al), Page-590

### **Sexual Resentment Scale**

Development and validation of perceived sexual resentment scale for women ,(PSRS-W), ( Ali S A Z et al), Page-1793

### **Sexually Transmitted Diseases**

Short Report: Awareness about sexually transmitted diseases in women related to their age education and income ,( Hafeez T et al), Page-2842

### **SGLT2 Inhibitors**

SGLT2 inhibitors: A revolution in therapeutics of a major noncommunicable Disease ,( Khan M S et al), Page-1293

### **SGLT2i Use In Non-Diabetics**

SGLT2i Use in Non-Diabetics ,( Nadeem S et al), Page-1693

### **Sheehan Syndrome**

Sheehan syndrome ,( Laway B A et al), Page-1282

### **Shoulder Flexors**

Comparison between qualitative and quantitative measurement of strength deficit in shoulder flexors of young females: A cross- sectional study ,(Perwaiz S et al), Page-2559

### **Sibutramine And Its Cardiovascular Effects**

Letter to the Editor: Sibutramine and its cardiovascular effects: A deadly combination ,( Khan M K S), Page-2850

### **Sickle Haemoglobin**

Sickle haemoglobin: How critical are laboratory quality measures for accurate identification? ,( Sana N et al), Page-571

### **Simulation Based Technology**

Research Article: Use of simulation based technology in pre-clinical years improves

confidence and satisfaction among medical students , ( Mirza M B et al), Page-1296

### **Skin Cancer**

Skin cancer knowledge and prevention practices: Turkish bus drivers, ( Kirag N al et) , Page-267

### **Sleep Disturbances**

Research Article: Sleep disturbances in children with autism spectrum disorder in Lahore Pakistan; a cross-sectional study ,( Baig U et al), Page-783

### **Small Bowel Adenocarcinoma**

An atypical presentation of small bowel adenocarcinoma; a case Report , ( Khalid W et al), Page-1255

### **Social Anxiety**

Self-consciousness in female university students: the predictive role of social anxiety ,( Ejaz B et al), Page-905

### **Socio Demographic Determinants of BMI**

Socio demographic determinants of BMI of Pakistani women: An evidence from PDHS , (2017-18), using quantile regression analysis ,( Kamal A et al), Page-1069

### **Sodium Thiosulfate**

Potential effect of sodium thiosulfate in calciphylaxis: remission of intractable pain, ( Yang C et al) , Page-367

### **Spatial Analysis**

Spatial analysis of 'Couple Years of Protection' by district in Punjab: Percent change from 2015-2016 to 2016-2017 ,(Shaikh M A), Page-2415

### **Speciality Preferences**

Research Article: Exploring speciality preferences and the influencing factors among undergraduate medical students at University of Kufa Iraq: A questionnaire-

based cross-sectional Survey ,( Al-Jaeed A H O et al), Page-1303

### **Spinal Cord Injury**

Reliability of modified functional reach test in the assessment of balance function in people with spinal cord injury: A systematic review ,( Arsh A et al), Page-2040

### **Splenic Vein Tumour Thrombus**

Complete splenic vein tumour thrombus in primary gastric malignancy on F18-fluorodeoxyglucose positron emission tomography-computed tomography,( Ahmad W et al), Page-175

### **Spondylodiscitis**

Spondylodiscitis presenting as pleural effusion in a geriatric female: A case report ,( Arkin F S et al), Page-543

### **Squamous Cell Carcinoma**

Role of contrast enhanced computed tomography in assessing cervical lymph node metastases in oral cavity squamous cell carcinoma ,( Qureshi T A et al), Page-826

### **ST Elevation Myocardial Infarction**

Angiographic profile and outcomes of Pakistani women with ST elevation myocardial infarction , (Masood S et al), Page-484

### **Staphylococcus Aureus**

Nasal carriage of highly resistant methicillin resistant Staphylococcus aureus (MRSA) strains by hospital staff in Hazara region of Pakistan,( Rukan M et al), Page-47

### **Staphylococcus aureus**

A cross sectional study to assess nasal carriage of methicillin resistant Staphylococcus aureus in healthcare professionals in a tertiary care hospital, (

Syed F ), Page-205

### **Staphylococcus Aureus**

Endogenous methicillin resistant staphylococcus aureus as a source of post-operative surgical site infections,( Farwa1 U et al), Page-94

### **Static Exercise**

The effects of a static exercise program verses Swiss ball training for core muscles of the lower back and pelvic region in patients with low back pain after child delivery A single blind randomized control trial , ( Adnan H et al), Page-1058

### **Strengthening Exercises**

Impact of strengthening exercises with and without blood flow restriction on quadriceps of knee osteoarthritis patients ,( Shakeel R et al), Page-2173

### **Streptococcus pneumoniae**

Increase in Penicillin and multidrug resistance in Streptococcus pneumoniae ,(1993-2016);: Report from a tertiary care hospital laboratory Pakistan ,( Zafar A et al), Page-2726

### **Stress Among Prosthesis Users**

Amalgamation of self-esteem depression anxiety and stress among prosthesis users ,( Kamran M et al), Page-834

### **Stress and coping**

Stress and coping among surgery residents in a developing country,( Riaz Q et al), Page-16

### **Stress Score**

Perceived stress score among doctors serving at various government and private hospitals in Faisalabad ,( Nazir N et al), Page-1424

### **Stress-Induced Cardiomyopathy**

Development of stress-induced cardiomyopathy after cytoreductive

surgery and hyperthermic intraperitoneal chemotherapy ,( Naved S A et al), Page-1686

### **Structured Long Interview and Clinical Examination ,(SLICE),**

Structured Long Interview and Clinical Examination ,(SLICE), as Formative Assessment Tool in Clinical Clerkship: Medical Students Perspective ,( Shadab W et al), Page-2000

### **Student Engagement**

Innovative ways of student engagement for active learning in science courses of nursing in the four year baccalaureate programme ,( Khan S et al), Page-1644

### **Student Nurses**

Determination of perception levels of student nurses about nursing diagnosis ,( Ozkan C G et al), Page-843

### **Subinguinal Versus Peritesticular Diameters**

Subinguinal versus peritesticular diameters of varicocele veins in the supine and standing posture ,( Arshad M A et al), Page-2766

### **Submandibular**

Giant lipoma of submandibular region; an unusual presentation,( Zubair M et al), Page-153

### **Subtalar Mobilization**

Comparison of subtalar mobilization with conventional physiotherapy treatment for the management of plantar fasciitis ,(Kashif M et al), Page-2705

### **SUPERSCAN**

Superscan" on F18 fluorodeoxyglucose Positron Emission Tomography — Computed Tomography [18 F] FDG PET-CT ,( Muzaffar M et al), Page-1907

### **Surgical Coping**

Impact of preoperative surgical anxiety on

postoperative surgical recovery among surgical patients: Role of surgical coping ,(Rashid A et al), Page-2313

### **Surgical Mask**

A surgical mask worn by the patient in addition to the barrier box reduces the droplet spray during endoscopy ,( Qadeer M A et al), Page-1703

### **Surgical Simulation**

Past present and future of surgical simulation and perspective of a developing country: A narrative review ,( Asghar M S et al), Page-2770

### **Sustainable Development Goals ,(SDGs-2030)**

Millennium development goals ,(MDGs-2000-2015), to sustainable development goals ,(SDGs-2030);: A chronological landscape of public sector health care segment of Pakistan ,( Aziz F et al), Page-596c

### **Symptomatic Os Navicular**

Symptomatic Os Navicular on 99mTc-MDP SPECT/CT ,( Usmani S et al), Page-2105

### **Synovial Fluid Adenosine Deaminase Level**

Diagnostic value of synovial fluid adenosine deaminase level in tuberculous arthritis , ( Sohn K M ), Page-1246

### **Synovial Sarcoma**

Neck exploration for a huge synovial sarcoma case report and literature review ,( Ammar A S et al), Page-766

### **Synovial Sarcoma**

Anterior Abdominal Wall Synovial Sarcoma: A Rare Presentation ,( Raza R et al), Page-1701

### **Systemic Lupus Erythematosus**

Systemic lupus erythematosus with secondary thrombotic thrombocytopenic purpura and acute parkinsonism: A case

report ,( Deepak P et al), Page-2812

### **Systemic Lupus Erythematosus(SLE)**

Paediatric systemic lupus erythematosus: A single referral centre experience, (Atas B et al), Page-136

## **T**

### **Teaching Strategy For Psychiatry**

Role play a teaching strategy for psychiatry — students' comparative perspective versus traditional teaching ,( Alvi T et al), Page-1740

### **Team-Based Learning**

Perceptions regarding team-based learning among undergraduate physical therapy students, ( Yaqoob M F et al) , Page-345

### **Telemedicine**

Telemedicine in neonatal care-Saving lives with technology! ,( Ahmed S), Page-2837

### **Testosterone**

Evaluation of the relationship between testosterone levels and burnout levels and job satisfaction in emergency department female employees: A prospective study, ( Atik D et al) , Page-272

### **Thoracic Spine Manipulation**

Effects of thoracic spine manipulation on pressure pain sensitivity of rhomboid muscle active trigger points: A randomized controlled trial ,( Haleema B et al), Page-1720

### **Thoracoscopic Management**

Video assisted thoracoscopic management of primary spontaneous Pneumothorax, ( Majeed F A et al) , Page-210

### **Thoracoscopy**

Video Assisted Thoracoscopy as a therapeutic modality in evacuating

retained or clotted haemothoraces ,( Abid A et al), Page-1428

### **Thymic Endocrinology**

Thymic endocrinology Part-1 ,( Dasgupta A et al), Page-2278

### **Thymic Endocrinology**

Thymic Endocrinology-Part 2 ,( Dasgupta A et al), Page-2470

### **Thyroid Cancer**

Thyroid cancer detected on 68Ga-PMSA PET/CT ,( Usmani S et al), Page-1511

### **Thyroid Tantrums**

Thyroid tantrums in teenagers ,( Sahay R et al), Page-2672

### **Thyroid-Like Follicular Carcinoma**

Thyroid-like follicular carcinoma of kidney: Case presentation and literature review ,( Afzal A et al), Page-2073

### **Thyromental Distance**

Ratio of height to thyromental distance: a comparison with mallampati and upper lip bite test for predicting difficult intubation in Pakistani population ,(Ali S T et al), Page-1570

### **Tibiofemoral Mobilization**

Effects of tibiofemoral mobilization in patients of Patellofemoral pain syndrome ,( Fatimah I et al), Page-2506

### **Tinnitus**

Tinnitus related handicap in daily living among Pakistani population: A multicenter study,( Zubair M et al), Page-90

### **Tongue Carcinoma**

A case of vastus lateralis muscle metastasis of tongue carcinoma ,( Kitano H et al), Page-2271

### **Trachoma Prevalence**

Seasonal variation in trachoma prevalence

among children District Dera Ghazi Khan of Punjab Pakistan, ( Khokhar A R et al) , Page-201

### **Transabdominal Preperitoneal**

A comparative follow up study of transabdominal preperitoneal mesh repair in inguinal hernias with or without mesh fixation,( Qureshi S et al), Page-28

### **Transcatheter Device Closure**

Experience of transcatheter device closure of atrial septal defect in a tertiary care institute ,( Younas M et al), Page-1776

### **Transfusion Reaction Monitoring**

An audit of transfusion reaction monitoring and reporting at a cancer hospital in Pakistan — a step towards haemovigilance ,( Hasan M et al), Page-699

### **Transfusion-Associated Circulatory Overload ,(TACO)**

Transfusion-associated circulatory overload ,(TACO),: Significance of appropriate pre-transfusion risk assessment to prevent fatal health outcomes ,( Sana N et al), Page-1049

### **Translation And Validation**

Translation and validation of core bereavement items into Urdu language on a sample of bereaved parents and spouses in Pakistan: A pilot study ,( Agha S A et al), Page-990

### **Tricuspid Valve Myxoma**

Tricuspid valve myxoma: An uncommon presentation of a common tumour ,( Faisal A W K et al), Page-2669

### **Type 2 Diabetes**

Ego defense mechanisms medication adherence and selfmanagement of the patients with type 2 diabetes ,(Akram F et al), Page-624

**Type 2 Diabetic**

Sexual dysfunction: Prevalence and relationship with depression and other socio-demographic factors among the type 2 diabetic women of Pakistan ,(Gul R et al), Page-2515

**Type 2 Diabetic Retinopathy**

Association analysis of -429T/C receptor for advanced glycation end products , (RAGE), gene polymorphism with type 2 diabetic retinopathy and serum soluble RAGE levels in Pakistani patients , ( Qayyum S et al), Page-1175

**Type-2 Diabetes Mellitus**

Relationship of surfactant protein-D with random blood glucose and extra pulmonary infections in type-2 diabetes mellitus, ( Jawed S et al) , Page-195

**Typhoid Carriers**

Detection of typhoid carriers by duodenal fluid culture in a tertiary care hospital Karachi: A cross-sectional study ,( Qureshi S et al), Page-2069

**U****Ultrasonic Aspirator For CNS Tumour Resection**

Use of ultrasonic aspirator for CNS tumour resection ,( Ahmad N et al), Page-1904

**UN Incheon Strategy**

The UN Incheon strategy Implementation and the Pakistani quagmire; ground realities ,( Habibullah S et al), Page-2787

**Universal Health Coverage**

Financing mechanisms applied for successful Universal Health Coverage in Malaysia Thailand and Singapore - Lessons for Pakistan ,( Jabeen R et al), Page-2611

**Upper Gastrointestinal Bleed**

Upper gastrointestinal bleed in a toddler

— an unusual encounter revealing foreign body ingestion , ( Ahmed R et al), Page-1249

**Upper Versus Lower Calyceal Approach**

Comparative evaluation of upper versus lower calyceal approach in percutaneous nephrolithotomy ,(PCNL), for managing renal calculi ,(Memon W A et al), Page-602

**Urdu Translation And Validation**

Urdu translation and validation of clinically useful depression outcome scale ,(Gauhar Y W M et al), Page-2524

**Utrecht Work Engagement Scale**

Utrecht work engagement scale: Construct validity and reliability in Chilean health science students ,( López R G et al), Page-2519

**V****Vaginal Microbiome**

The composition and stability of the vaginal microbiome of healthy women ,( Alhabardi S M A et al), Page-2045

**Vasovagal Syncope**

Association of serotonin levels in patients of vasovagal syncope and postural tachycardia syndrome ,( Raziq H et al), Page-1963

**VATS Thoracoscopic Decortication**

VATS thoracoscopic decortication for empyema thoracic: A retrospective experience and analysis of 162 cases , (Majeed F A et al), Page-502

**VEGF-A biomarker**

VEGF-A biomarker for early diagnosis of ovarian cancer instead of CA-125

Role of serum VEGF-A biomarker for early diagnosis of ovarian cancer instead of CA-125 ,( Maryam N et al), Page-2192

**Venous Thromboembolism**

Venous thromboembolism after meningioma resection ,(Khan S et al), Page-2477

**Ventricular-Arterial Coupling**

Ventricular-arterial coupling as a potential therapeutic target in diabetes ,(Saeed S et al), Page-2637

**Vesicouterine Fistula**

Repair of vesicouterine fistula by not using traditional O' connor method,( Shabbir S M et al), Page-143

**Vibrio Cholera**

Epidemic and PCR-based identification of vibrio cholera through OmpW gene from diarrheal patients admitted at different hospitals of Baluchistan , ( Hussain A et al), Page-1189

**Virological Response**

The partial virological response to Tenofovir monotherapy in naïve patients with chronic hepatitis B , ( Gedik H et al), Page-550

**Virtual Reality Medical Training**

User experience design in virtual reality medical training application ,( Sattar M U et al), Page-1730

**Vitamin D**

Letter to the Editor: Vitamin D — A potential life saver for patients with SARS-CoV-2 ,( Siddiqui L et al), Page-2293

**Vitamin D Deficiency**

Association of vitamin D deficiency to the risk of preeclampsia in Saudi Arabia, ( Ali A M et al) , Page-257

**Volumetric Modulated Arc Therapy**

Optimisation of user-selectable volumetric modulated arc therapy ,

(VMAT), planning parameters: VMAT arcs for prostate and head-and-neck Cancers , ( Murtaza G et al), Page-1093

**VONOPROZAN**

Vonoprozán: Potentially new first-line treatment for delayed upper gastrointestinal bleeds following endoscopic procedures? A letter to the editor ,( Umer M et al), Page-2838

**Vulnerable Citizens**

Dilemma of health rights of vulnerable citizens: A narrative review ,(Mumtaz N et al), Page-2782

**W****WFME Standards**

Challenges for implementing WFME standards for accreditation in health professions education in low and middle-income countries: A scoping review ,( Rafi A et al), Page-966

**Wheat Pill Poisoning**

Wheat pill poisoning: complications and management ,( Rehman H et al), Page-1676

**Wii Fit Exer-Gaming**

Effects of Wii Fit exer-gaming on balance and gait in elderly population: A randomized control trial , (Khushnood K et al), Page-410

**Work Place Based Conflicts**

A narrative study on work place based conflicts in Obstetrics and Gynaecology Department , (Waheed K et al), Page-514

**X****Xpert Mtb/Rif**

Comparison evaluation between gene Xpert Mtb/Rif and multiplex PCR for rapid diagnosis of mycobacterium tuberculosis ,( Salim S et al), Page-636
