

Abstract of Case Reports JPMA 2004;54:539**Editor's Reply**

Your suggestion is well taken. Some of the other international indexed journals have also introduced Abstracts for case reports which makes it easier to understand the relevance, in comparison to the title alone.

JPMA will introduce an abstract for Case Reports from January 2005.

Editor-in-Chief, JPMA

Instructions to Authors

Amendment

Case Reports submitted to JPMA should fulfil the following requirements:

Abstract	150 words
Text	1250 words
Tables or figures	2
References	10

The addition of an Abstract will be applicable from January 2005.

Editor-in-Chief, JPMA
